LEGISLATIVE COUNSEL'S DIGEST

SB 1041, as amended, Committee on Budget and Fiscal Review. Human services.

Under existing law, the parents of a minor child are responsible for supporting the child. Existing law establishes the Department of Child Support Services, which administers all federal and state laws and regulations relating to child support enforcement obligations. The

Director of Child Support Services is also responsible for implementing and managing the statewide automated child support system, which includes the State Disbursement Unit. Existing law establishes the Child Support Payment Trust Fund in the State Treasury and authorizes the deposit of child support payments received by the State Disbursement Unit into that fund, including overpayments, for the purpose of processing and providing child support payments. Under existing law, the Department of Child Support Services may enter into a trust agreement with an intermediary to receive or disburse child support collections. A trust agreement under these provisions may create trust accounts held outside the State Treasury.

This bill, for the 2012–13 fiscal year only, would authorize money in those trust accounts to be invested in specified securities or alternatives that offer comparable security, including mutual funds and money market funds. The bill would not authorize an investment or transfer that would interfere with the objective of the Child Support Payment Trust Fund.

Existing law requires each county to provide cash assistance and other social services to needy families through the California Work Opportunity and Responsibility to Kids (CalWORKs) program, using federal Temporary Assistance to Needy Families (TANF) block grant program, state, and county funds.

Under existing law, the county is required to annually redetermine eligibility for CalWORKs benefits. Existing law additionally requires the county to redetermine recipient eligibility and grant amounts on a quarterly basis, using prospective budgeting, and to prospectively determine the grant amount that a recipient is entitled to receive for each month of the quarterly reporting period. Under existing law, a CalWORKs recipient is required to report to the county, orally or in writing, specified changes that could affect the amount of aid to which the recipient is entitled. Under existing law, the CalWORKs quarterly reporting system becomes inoperative on October 1, 2013. A semiannual reporting system becomes operative on April 1, 2013, and is required to be implemented by counties no later than October 1, 2013, as specified.

This bill, notwithstanding existing law, would exempt a CalWORKs assistance unit that does not include an eligible adult from periodic reporting requirements other than the annual redetermination, and would specify grant calculation income reporting thresholds, recipient reporting duties, and other criteria applicable to these assistance units.

Under existing law, a parent or caretaker relative is ineligible for CalWORKs aid when he or she has received aid for a cumulative total of 48 months, as specified. Certain months are not counted as months of aid for purposes of calculating the 48-month time limit.

Under the CalWORKs program, certain recipients are required to participate in specified welfare-to-work activities, unless an applicable exemption applies. Exempted individuals include, until July 1, 2012, a parent or other relative who has primary responsibility for personally providing care to one child who is from 12 to 23 months of age, inclusive, or 2 or more children who are under 6 years of age.

This bill would make the caregiver exemption described above inoperative on January 1, 2013. The bill would require counties to reengage the exempted individuals in welfare-to-work activities, by October 1, 2014, except as specified. The bill also would create a similar, one-time exemption for caregivers of a child from birth to 23 months of age, inclusive, as specified, and would provide, effective January 1, 2013, that a month during which this exemption applies and a month during which a recipient was exempted under the prior exemption and has not been reengaged would not be counted as a month of receipt of aid for the recipient. By expanding eligibility for CalWORKs aid under some circumstances, this bill would make an appropriation, and by expanding county duties, the bill also would impose a state-mandated local program.

Existing law requires a participant to participate for at least 20 hours per week in core activities, as specified.

This bill effective January 1, 2013, would modify the number of welfare-to-work participation hours to conform to certain federal requirements, and would eliminate the above-described requirement relating to core activities.

This bill would revise welfare-to-work requirements applicable to new CalWORKs recipients, on and after January 1, 2013. These recipients would receive 24 months of specified welfare-to-work services and activities, and would then be required to meet federal work participation requirements, as specified, unless they are exempted from participation, or receive an extension, as prescribed. By increasing county duties, the bill would impose a state-mandated local program.

Existing law gives counties, through the 2011–12 fiscal year, the option to redirect funding, both from and to the amounts appropriated for CalWORKs mental health employment assistance services and CalWORKs substance abuse treatment services, and from and to other

CalWORKs employment services that are necessary for individuals to participate in welfare-to-work activities.

This bill would extend this county authority through the 2013–14 fiscal year.

Existing law provides that certain amounts are exempt from the calculation of income of the family for purposes of determining eligibility for benefits under the CalWORKs program. Certain exempt amounts are calculated based on the amount of disability-based unearned income and earned income. State funds are continuously appropriated to pay for a share of costs under the CalWORKs program.

This bill would change the exempt amount described above by revising the calculation. To the extent that this bill would expand CalWORKs eligibility or increase grant amounts, the bill would make an appropriation. In addition, by increasing county administrative duties, the bill would impose a state-mandated local program.

Existing law provides that when aid under the CalWORKs program is repaid to the state by means of child support collections, the state is entitled to the entire amount of the aid repaid, except where federal and county funds were paid, in which case the federal government remains entitled to a proportionate share of the amount received or recovered and the county remains entitled to its proportionate share, except for county funds received or recovered during the 2011–12 fiscal year, which are retained by the state.

This bill would extend the suspension of the county's recovery of repaid funds under the above provisions, for the 2012–13 fiscal year, thus allowing the state to retain those funds.

Existing law provides that the 10 counties with the best performance standards shall receive an additional 5% of the state's share of those counties' collections that are used to reduce or repay aid that is paid under the California Work Opportunity and Responsibility to Kids (CalWORKs) program. Existing law requires these additional funds received by a county to be used for specified child support-related activities. Existing law suspends the payment of this additional 5% for the 2002–03 to 2011–12 fiscal years, inclusive.

This bill would extend the suspension of the additional 5% payments through the 2014–15 fiscal year.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, and under which qualified low-income persons receive health care services. Existing law requires the Department of Child Support Services to

provide payments to the local child support agency of \$50 per case for obtaining 3rd-party health coverage or insurance of Medi-Cal beneficiaries, to the extent that funds are appropriated in the Budget Act. Under existing law, these payments are suspended for the 2003–04 to 2011–12 fiscal years, inclusive.

This bill would extend the suspension of the above-described payments to local child support agencies through the 2014–15 fiscal year.

Existing law requires the State Department of Social Services, before issuing a license or special permit to any person to operate or manage a community care facility or a day care facility, to secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other specified person has ever been convicted of various crimes. Existing law, except during the 2003–04 to the 2011–12 fiscal years, inclusive, prohibits the Department of Justice and the State Department of Social Services from charging a fee for the fingerprinting of an applicant for a license to operate a community care facility that will provide nonmedical board, room, and care for 6 or fewer children, the fingerprinting of a day care facility applicant that will serve 6 or fewer children, or any family day care applicant, or for obtaining a criminal record of these applicants.

This bill would extend this authorization through the 2012–13 fiscal year.

Under existing law, one of the methods by which Medi-Cal program services are provided is pursuant to contracts with various types of managed care plans. Existing federal law provides for the federal Medicare Program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are under 65 years of age. Existing law also provides for the county-administered In-Home Supportive Services (IHSS) program, under which, either through employment by the recipient, by or through contract by the county, by the creation of a public authority, or pursuant to a contract with a nonprofit consortium, qualified aged, blind, and disabled persons receive services enabling them to remain in their own homes.

Existing law requires the State Department of Health Care Services to establish a medication machine pilot project for certain at-risk Medi-Cal recipients, as specified, and designates the duties of the department in this regard. Existing law requires the State Department of Social Services, if the Department of Finance makes a specified

determination, to implement, with some exceptions, a reduction in authorized hours of service to each IHSS recipient, as prescribed.

This bill would delete these latter provisions.

Existing law makes specified findings and declarations with respect to the effect of decreased funding for CalWORKs for the 2009–10 to 2011–12 fiscal years, inclusive. In connection with this decreased funding, existing law extends certain exemptions from months counted as a month of receipt of aid, and allows counties to redirect funding between specified employment assistance and substance abuse treatment programs during the specified fiscal years, and to revise a specified welfare-to-work exemption in order to implement the county's portion of specified funding reductions.

This bill would extend the above provisions indefinitely to apply to specified decreases in CalWORKs funding.

Existing law requires recipients of aid under the CalWORKs program who are under 19 years of age who are pregnant or custodial parents to participate in certain educational programs, which are referred to as the Cal-Learn Program. Existing law makes the Cal-Learn Program inoperative until July 1, 2012, except as specified.

This bill would provide that from July 1, 2012, to March 31, 2013, inclusive, counties be provided full or partial year funding, depending on the pace of their progression to full implementation of the Cal-Learn Program by April 1, 2013. By increasing the duties of counties, this bill would impose a state-mandated local program.

This bill would require the State Department of Social Services to submit a report to the budget committees of the Legislature with specified information relating to the Cal-Learn Program.

Existing law prohibits the establishment of a new group home rate or change to an existing rate under the AFDC-FC program for a prescribed period, except for exemptions granted on a case-by-case basis, and repeals this prohibition on January 1, 2013.

This bill would limit exceptions for any program with a rate classification level (RCL) below 10 to exceptions associated with a program change.

Existing law also requires the State Department of Social Services to implement a 3.6% reduction in service hours to each IHSS recipient, until July 1, 2012.

This bill would extend this reduction in service hours through July 1, 2013.

Existing law, the Sales and Use Tax Law, imposes a sales tax on retailers for the privilege of selling tangible personal property at retail, measured by the gross receipts from the sale of tangible personal property sold at retail in this state. A violation of specified provisions of this law is a crime. Existing law similarly imposes a sales tax on providers of support services for the privilege of selling support services at retail, measured by the gross receipts from the sale of those services in this state at a specified rate of those gross receipts.

Existing law creates the Personal Care IHSS Quality Assurance Revenue Fund in the State Treasury, and requires the revenue from the tax, less refunds, to be deposited in the fund. The fund is continuously appropriated to the State Department of Social Services for purposes of providing specified supplementary payments to providers of in-home supportive services. Existing law requires the IHSS provider tax and related supplementary payments to be implemented no earlier than July 1, 2010.

This bill would extend the earliest implementation date for the provider tax and supplementary payment provisions to January 1, 2012.

Existing law establishes the Aid to Families with Dependent Children-Foster Care (AFDC-FC) program, under which counties provide payments to foster care providers, including group homes, on behalf of qualified children in foster care, according to a schedule of basic foster care rates. The program is funded by a combination of federal, state, and county funds. Under existing law, the basic AFDC-FC rates are adjusted annually on July 1 by the annual percentage change in the California Necessities Index applicable to the calendar year within which that July 1 occurs.

Existing law declares the need to provide enhanced reimbursement to address the extraordinary care and supervision needs of children who are consumers of regional center services and also receiving AFDC-FC, Kinship Guardianship Assistance Payment Program (Kin-GAP), or Adoption Assistance Program (AAP) benefits, at a rate that is higher than the average rate they would otherwise receive through the foster care system and higher than the rate other children with medical and other significant special needs receive. Existing law requires that if the schedule of foster care basic rates is increased on or after January 1, 2008, these enhanced rates shall be similarly adjusted.

This bill would revise the requirements relating to the adjustment of the enhanced rates payable for children who are dually eligible, as described above, to instead require those rates to be annually adjusted

by the percentage change in the California Necessities Index, beginning with the 2011–12 fiscal year.

Existing law requires the State Department of Social Services to establish a Work Incentive Nutritional Supplement (WINS) program, under which each county is required to provide a \$40 monthly additional food assistance benefit for each eligible food stamp household, as defined. Under existing law, the WINS program, in tandem with a preassistance employment readiness system (PAERS) program, are required to be implemented by the department on specified dates.

This bill would reduce the amount of the WINS benefit to \$10 per month and would revise the various dates applicable to the implementation of the programs.

Existing law creates the Child Health and Safety Fund, consisting of revenues from a specified license plate program and civil penalties imposed on child day care facility providers. Upon appropriation by the Legislature, 50% of those moneys in the fund derived from the license plate program are required to be expended to address various child health and safety concerns, as specified.

This bill would include an additional \$501,000 allocation, upon appropriation by the Legislature, for these purposes.

Existing law vests in the Department of Rehabilitation the responsibility and authority for the provision of vocational rehabilitation services to individuals with physical or mental disabilities. Existing law provides for the Rehabilitation Appeals Board within the department to hear appeals, as prescribed, that have been filed with the board by any applicant for, or client of, the department. Existing law provides that any applicant for, or client of, the department, upon filing a request, as prescribed, has the right to a fair hearing before the board that is required to be held within 45 days of the date the written request is received by the board.

This bill would eliminate the Rehabilitation Appeals Board, provide that a fair hearing will be held before an impartial hearing officer within 60 days of a written request for a hearing, and make related changes.

Existing law requires the State Department of Social Services, in consultation with designated stakeholders in the In-Home Supportive Services program, to develop a new ratesetting methodology for public authority administrative costs, to go into effect commencing with the 2012–13 fiscal year.

This bill would delay the effective date of the new ratesetting methodology to the 2013–14 fiscal year.

Existing law requires the State Department of Social Services to implement a single statewide Child Welfare Services Case Management System (CWS/CMS) to administer and evaluate the state's child welfare services and foster care programs. Existing law also requires the department, in partnership with the Office of Systems Integration (OSI) and designated stakeholders, to perform various activities regarding the effectiveness and operation of the CWS/CMS, and to report on these activities to the Legislature, by January 10, 2012.

This bill would require the State Department of Social Services to use funding included in the Budget Act of 2012 related to replacement of the CWS/CMS for the next steps necessary to move forward with the recommendation of the Child Welfare Automation Study Team (CAST) to proceed toward procuring a new system, as specified. The bill would require the OSI and the department to report the results of these activities, in addition to key milestones and anticipated timelines, to the Legislature by March 1, 2013, for review during the 2013 budget hearings.

This bill would require the State Department of Social Services and the Office of Systems Integration to have a qualified 3rd party conduct a cost-reasonableness assessment of the costs proposed by the vendor to migrate the Consortium-IV counties to the newly developed Los Angeles Eligibility, Automated Determination, Evaluation and Reporting (LEADER) Replacement System, in order to determine whether the proposed overall costs are within range of reasonableness, based on specified factors.

This bill would require the State Department of Social Services, in consultation with stakeholders, including counties advocates, and legislative staff, to convene a work group to identify best practices and other strategies to improve early welfare-to-work engagement and barrier removal efforts, to maximize a recipient's welfare-to-work opportunities, as specified. The bill would require the work group to report its findings to the Legislature by January 10, 2013.

This bill would require the State Department of Social Services to annually update the Legislature regarding the changes made by the bill to the CalWORKs program, and contract with an independent, research-based institution for an evaluation and written report, with specified contents, which would be provided to the Legislature by October 1, 2017.

This bill would authorize the State Department of Social Services to implement certain of its provisions by all-county letters or similar

instructions, pending the adoption of emergency regulations by July 1, 2014.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

This bill would appropriate \$1,000 from the General Fund to the California Health and Human Services Agency for administration.

This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Vote: majority. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 17311.5 of the Family Code is amended
2 to read:

3 17311.5. (a) The department may enter into a trust agreement
4 with a trustee or fiscal intermediary to receive or disburse child
5 support collections. The trust agreement may contain provisions
6 the department deems reasonable and proper for the security of
7 the child support payments. Any trust accounts created by the trust
8 agreements may be held outside the State Treasury.

9 (b) For the 2012–13 fiscal year only, trust account moneys may
10 be invested in any of the types of securities listed in Section 16430
11 of the Government Code or alternatives offering comparable
12 security, including, but not limited to, mutual funds and money
13 market funds. This subdivision does not authorize investments or
14 transfers that would interfere with carrying out the objective for
15 which the Child Support Payment Trust Fund was created.

16 SEC. 2. Section 17706 of the Family Code is amended to read:

17 17706. (a) It is the intent of the Legislature to encourage
18 counties to elevate the visibility and significance of the child
19 support enforcement program in the county. To advance this goal,
20 effective July 1, 2000, the counties with the 10 best performance
21 standards pursuant to clause (ii) of subparagraph (B) of paragraph
22 (2) of subdivision (b) of Section 17704 shall receive an additional

1 5 percent of the state's share of those counties' collections that are
2 used to reduce or repay aid that is paid pursuant to Article 6
3 (commencing with Section 11450) of Chapter 2 of Part 3 of
4 Division 9 of the Welfare and Institutions Code. The counties shall
5 use the increased recoupment for child support-related activities
6 that may not be eligible for federal child support funding under
7 Part D of Title IV of the Social Security Act, including, but not
8 limited to, providing services to parents to help them better support
9 their children financially, medically, and emotionally.

10 (b) The operation of subdivision (a) shall be suspended for the
11 2002–03, 2003–04, 2004–05, 2005–06, 2006–07, 2007–08,
12 2008–09, 2009–10, 2010–11, 2011–12, 2012–13, 2013–14, and
13 2014–15 fiscal years.

14 SEC. 3. Section 1522 of the Health and Safety Code is amended
15 to read:

16 1522. The Legislature recognizes the need to generate timely
17 and accurate positive fingerprint identification of applicants as a
18 condition of issuing licenses, permits, or certificates of approval
19 for persons to operate or provide direct care services in a
20 community care facility, foster family home, or a certified family
21 home of a licensed foster family agency. Therefore, the Legislature
22 supports the use of the fingerprint live-scan technology, as
23 identified in the long-range plan of the Department of Justice for
24 fully automating the processing of fingerprints and other data by
25 the year 1999, otherwise known as the California Crime
26 Information Intelligence System (CAL-CII), to be used for
27 applicant fingerprints. It is the intent of the Legislature in enacting
28 this section to require the fingerprints of those individuals whose
29 contact with community care clients may pose a risk to the clients'
30 health and safety. An individual shall be required to obtain either
31 a criminal record clearance or a criminal record exemption from
32 the State Department of Social Services before his or her initial
33 presence in a community care facility.

34 (a) (1) Before issuing a license or special permit to any person
35 or persons to operate or manage a community care facility, the
36 State Department of Social Services shall secure from an
37 appropriate law enforcement agency a criminal record to determine
38 whether the applicant or any other person specified in subdivision
39 (b) has ever been convicted of a crime other than a minor traffic
40 violation or arrested for any crime specified in Section 290 of the

1 Penal Code, for violating Section 245 or 273.5, of the Penal Code,
2 subdivision (b) of Section 273a of the Penal Code, or, prior to
3 January 1, 1994, paragraph (2) of Section 273a of the Penal Code,
4 or for any crime for which the department cannot grant an
5 exemption if the person was convicted and the person has not been
6 exonerated.

7 (2) The criminal history information shall include the full
8 criminal record, if any, of those persons, and subsequent arrest
9 information pursuant to Section 11105.2 of the Penal Code.

10 (3) Except during the 2003–04 to the 2012–13 fiscal years,
11 inclusive, neither the Department of Justice nor the State
12 Department of Social Services may charge a fee for the
13 fingerprinting of an applicant for a license or special permit to
14 operate a facility providing nonmedical board, room, and care for
15 six or less children or for obtaining a criminal record of the
16 applicant pursuant to this section.

17 (4) The following shall apply to the criminal record information:

18 (A) If the State Department of Social Services finds that the
19 applicant, or any other person specified in subdivision (b), has
20 been convicted of a crime other than a minor traffic violation, the
21 application shall be denied, unless the director grants an exemption
22 pursuant to subdivision (g).

23 (B) If the State Department of Social Services finds that the
24 applicant, or any other person specified in subdivision (b) is
25 awaiting trial for a crime other than a minor traffic violation, the
26 State Department of Social Services may cease processing the
27 application until the conclusion of the trial.

28 (C) If no criminal record information has been recorded, the
29 Department of Justice shall provide the applicant and the State
30 Department of Social Services with a statement of that fact.

31 (D) If the State Department of Social Services finds after
32 licensure that the licensee, or any other person specified in
33 paragraph (1) of subdivision (b), has been convicted of a crime
34 other than a minor traffic violation, the license may be revoked,
35 unless the director grants an exemption pursuant to subdivision
36 (g).

37 (E) An applicant and any other person specified in subdivision
38 (b) shall submit fingerprint images and related information to the
39 Department of Justice for the purpose of searching the criminal
40 records of the Federal Bureau of Investigation, in addition to the

1 criminal records search required by this subdivision. If an applicant
2 and all other persons described in subdivision (b) meet all of the
3 conditions for licensure, except receipt of the Federal Bureau of
4 Investigation's criminal offender record information search
5 response for the applicant or any of the persons described in
6 subdivision (b), the department may issue a license if the applicant
7 and each person described in subdivision (b) has signed and
8 submitted a statement that he or she has never been convicted of
9 a crime in the United States, other than a traffic infraction, as
10 prescribed in paragraph (1) of subdivision (a) of Section 42001 of
11 the Vehicle Code. If, after licensure, the department determines
12 that the licensee or any other person specified in subdivision (b)
13 has a criminal record, the license may be revoked pursuant to
14 Section 1550. The department may also suspend the license
15 pending an administrative hearing pursuant to Section 1550.5.

16 (F) The State Department of Social Services shall develop
17 procedures to provide the individual's state and federal criminal
18 history information with the written notification of his or her
19 exemption denial or revocation based on the criminal record.
20 Receipt of the criminal history information shall be optional on
21 the part of the individual, as set forth in the agency's procedures.
22 The procedure shall protect the confidentiality and privacy of the
23 individual's record, and the criminal history information shall not
24 be made available to the employer.

25 (G) Notwithstanding any other law, the department is authorized
26 to provide an individual with a copy of his or her state or federal
27 level criminal offender record information search response as
28 provided to that department by the Department of Justice if the
29 department has denied a criminal background clearance based on
30 this information and the individual makes a written request to the
31 department for a copy specifying an address to which it is to be
32 sent. The state or federal level criminal offender record information
33 search response shall not be modified or altered from its form or
34 content as provided by the Department of Justice and shall be
35 provided to the address specified by the individual in his or her
36 written request. The department shall retain a copy of the
37 individual's written request and the response and date provided.

38 (b) (1) In addition to the applicant, this section shall be
39 applicable to criminal convictions of the following persons:

1 (A) Adults responsible for administration or direct supervision
2 of staff.

3 (B) Any person, other than a client, residing in the facility.

4 (C) Any person who provides client assistance in dressing,
5 grooming, bathing, or personal hygiene. Any nurse assistant or
6 home health aide meeting the requirements of Section 1338.5 or
7 1736.6, respectively, who is not employed, retained, or contracted
8 by the licensee, and who has been certified or recertified on or
9 after July 1, 1998, shall be deemed to meet the criminal record
10 clearance requirements of this section. A certified nurse assistant
11 and certified home health aide who will be providing client
12 assistance and who falls under this exemption shall provide one
13 copy of his or her current certification, prior to providing care, to
14 the community care facility. The facility shall maintain the copy
15 of the certification on file as long as care is being provided by the
16 certified nurse assistant or certified home health aide at the facility.
17 Nothing in this paragraph restricts the right of the department to
18 exclude a certified nurse assistant or certified home health aide
19 from a licensed community care facility pursuant to Section 1558.

20 (D) Any staff person, volunteer, or employee who has contact
21 with the clients.

22 (E) If the applicant is a firm, partnership, association, or
23 corporation, the chief executive officer or other person serving in
24 like capacity.

25 (F) Additional officers of the governing body of the applicant,
26 or other persons with a financial interest in the applicant, as
27 determined necessary by the department by regulation. The criteria
28 used in the development of these regulations shall be based on the
29 person's capability to exercise substantial influence over the
30 operation of the facility.

31 (2) The following persons are exempt from the requirements
32 applicable under paragraph (1):

33 (A) A medical professional as defined in department regulations
34 who holds a valid license or certification from the person's
35 governing California medical care regulatory entity and who is
36 not employed, retained, or contracted by the licensee if all of the
37 following apply:

38 (i) The criminal record of the person has been cleared as a
39 condition of licensure or certification by the person's governing
40 California medical care regulatory entity.

2 care or services.

3 (iii) The person is providing care or services within the person's
4 scope of practice.

5 (iv) The person is not a community care facility licensee or an
6 employee of the facility.

7 (B) A third-party repair person or similar retained contractor if
8 all of the following apply:

9 (i) The person is hired for a defined, time-limited job.

10 (ii) The person is not left alone with clients.

12 person or contractor is working, a staff person who has a criminal
13 record clearance or exemption is also present.

14 (C) Employees of a licensed home health agency and other
15 members of licensed hospice interdisciplinary teams who have a
16 contract with a client or resident of the facility and are in the
17 facility at the request of that client or resident's legal
18 decisionmaker. The exemption does not apply to a person who is
19 a community care facility licensee or an employee of the facility.

20 (D) Clergy and other spiritual caregivers who are performing
21 services in common areas of the community care facility or who
22 are advising an individual client at the request of, or with the
23 permission of, the client or legal decisionmaker, are exempt from

36 family homes are exempt from the requirements applicable under
37 paragraph (1):

38 (A) Adult friends and family of the licensed or certified foster
39 parent, who come into the home to visit for a length of time no
40 longer than defined by the department in regulations, provided

1 that the adult friends and family of the licensee are not left alone
2 with the foster children. However, the licensee, acting as a
3 reasonable and prudent parent, as defined in paragraph (2) of
4 subdivision (a) of Section 362.04 of the Welfare and Institutions

7 occasional short-term babysitter for the child.

8 (B) Parents of a foster child's friend when the foster child is
9 visiting the friend's home and the friend, licensed or certified foster
10 parent, or both are also present. However, the licensee, acting as
11 a reasonable and prudent parent, may allow the parent of the foster
12 child's friend to act as an appropriate short-term babysitter for the
13 child without the friend being present.

14 (C) Individuals who are engaged by any licensed or certified
15 foster parent to provide short-term care to the child for periods not
16 to exceed 24 hours. Caregivers shall use a reasonable and prudent

28 the client or providing direct care and supervision to the client.

29 (B) A volunteer if all of the following applies:

30 (i) The volunteer is supervised by the licensee or a facility
31 employee with a criminal record clearance or exemption.

32 (ii) The volunteer is never left alone with clients.

33 (iii) The volunteer does not provide any client assistance with
34 dressing, grooming, bathing, or personal hygiene other than
35 washing of hands.

36 (5) (A) In addition to the exemptions specified in paragraph
37 (2), the following persons in adult residential and social
38 rehabilitation facilities, unless contraindicated by the client's
39 individualized program plan (IPP) or needs and services plan, are
40 exempt from the requirements applicable under paragraph (1): a

1 spouse, significant other, relative, or close friend of a client, or an
2 attendant or a facilitator for a client with a developmental disability
3 if the attendant or facilitator is not employed, retained, or
4 contracted by the licensee. This exemption applies only if the
5 person is visiting the client or providing direct care and supervision
6 to that client.

7 (B) Nothing in this subdivision shall prevent a licensee from
8 requiring a criminal record clearance of any individual exempt
9 from the requirements of this section, provided that the individual
10 has client contact.

11 (6) Any person similar to those described in this subdivision,
12 as defined by the department in regulations.

13 (c) (1) Subsequent to initial licensure, a person specified in
14 subdivision (b) who is not exempted from fingerprinting shall
15 obtain either a criminal record clearance or an exemption from
16 disqualification pursuant to subdivision (g) from the State
17 Department of Social Services prior to employment, residence, or
18 initial presence in the facility. A person specified in subdivision
19 (b) who is not exempt from fingerprinting shall be fingerprinted
20 and shall sign a declaration under penalty of perjury regarding any
21 prior criminal convictions. The licensee shall submit fingerprint
22 images and related information to the Department of Justice and
23 the Federal Bureau of Investigation, through the Department of
24 Justice, for a state and federal level criminal offender record
25 information search, or comply with paragraph (1) of subdivision
26 (h). These fingerprint images and related information shall be sent
27 by electronic transmission in a manner approved by the State
28 Department of Social Services and the Department of Justice for
29 the purpose of obtaining a permanent set of fingerprints, and shall
30 be submitted to the Department of Justice by the licensee. A
31 licensee's failure to prohibit the employment, residence, or initial
32 presence of a person specified in subdivision (b) who is not exempt
33 from fingerprinting and who has not received either a criminal
34 record clearance or an exemption from disqualification pursuant
35 to subdivision (g) or to comply with paragraph (1) of subdivision
36 (h), as required in this section, shall result in the citation of a
37 deficiency and the immediate assessment of civil penalties in the
38 amount of one hundred dollars (\$100) per violation per day for a
39 maximum of five days, unless the violation is a second or
40 subsequent violation within a 12-month period in which case the

1 civil penalties shall be in the amount of one hundred dollars (\$100)
2 per violation for a maximum of 30 days, and shall be grounds for
3 disciplining the licensee pursuant to Section 1550. The department
4 may assess civil penalties for continued violations as permitted by
5 Section 1548. The fingerprint images and related information shall
6 then be submitted to the Department of Justice for processing.
7 Upon request of the licensee, who shall enclose a self-addressed
8 stamped postcard for this purpose, the Department of Justice shall
9 verify receipt of the fingerprints.

10 (2) Within 14 calendar days of the receipt of the fingerprint
11 images, the Department of Justice shall notify the State Department
12 of Social Services of the criminal record information, as provided
13 for in subdivision (a). If no criminal record information has been
14 recorded, the Department of Justice shall provide the licensee and
15 the State Department of Social Services with a statement of that
16 fact within 14 calendar days of receipt of the fingerprint images.
17 Documentation of the individual's clearance or exemption from
18 disqualification shall be maintained by the licensee and be available
19 for inspection. If new fingerprint images are required for
20 processing, the Department of Justice shall, within 14 calendar
21 days from the date of receipt of the fingerprints, notify the licensee
22 that the fingerprints were illegible, the Department of Justice shall
23 notify the State Department of Social Services, as required by
24 Section 1522.04, and shall also notify the licensee by mail, within
25 14 days of electronic transmission of the fingerprints to the
26 Department of Justice, if the person has no criminal history
27 recorded. A violation of the regulations adopted pursuant to Section
28 1522.04 shall result in the citation of a deficiency and an immediate
29 assessment of civil penalties in the amount of one hundred dollars
30 (\$100) per violation per day for a maximum of five days, unless
31 the violation is a second or subsequent violation within a 12-month
32 period in which case the civil penalties shall be in the amount of
33 one hundred dollars (\$100) per violation for a maximum of 30
34 days, and shall be grounds for disciplining the licensee pursuant
35 to Section 1550. The department may assess civil penalties for
36 continued violations as permitted by Section 1548.

37 (3) Except for persons specified in subdivision (b) who are
38 exempt from fingerprinting, the licensee shall endeavor to ascertain
39 the previous employment history of persons required to be
40 fingerprinted. If it is determined by the State Department of Social

1 Services, on the basis of the fingerprint images and related
2 information submitted to the Department of Justice, that subsequent
3 to obtaining a criminal record clearance or exemption from
4 disqualification pursuant to subdivision (g), the person has been
5 convicted of, or is awaiting trial for, a sex offense against a minor,
6 or has been convicted for an offense specified in Section 243.4,
7 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State
8 Department of Social Services shall notify the licensee to act
9 immediately to terminate the person's employment, remove the
10 person from the community care facility, or bar the person from
11 entering the community care facility. The State Department of
12 Social Services may subsequently grant an exemption from
13 disqualification pursuant to subdivision (g). If the conviction or
14 arrest was for another crime, except a minor traffic violation, the
15 licensee shall, upon notification by the State Department of Social
16 Services, act immediately to either (A) terminate the person's
17 employment, remove the person from the community care facility,
18 or bar the person from entering the community care facility; or
19 (B) seek an exemption from disqualification pursuant to subdivision
20 (g). The State Department of Social Services shall determine if
21 the person shall be allowed to remain in the facility until a decision
22 on the exemption from disqualification is rendered. A licensee's
23 failure to comply with the department's prohibition of employment,
24 contact with clients, or presence in the facility as required by this
25 paragraph shall result in a citation of deficiency and an immediate
26 assessment of civil penalties in the amount of one hundred dollars
27 (\$100) per violation per day and shall be grounds for disciplining
28 the licensee pursuant to Section 1550.

29 (4) The department may issue an exemption from
30 disqualification on its own motion pursuant to subdivision (g) if
31 the person's criminal history indicates that the person is of good
32 character based on the age, seriousness, and frequency of the
33 conviction or convictions. The department, in consultation with
34 interested parties, shall develop regulations to establish the criteria
35 to grant an exemption from disqualification pursuant to this
36 paragraph.

37 (5) Concurrently with notifying the licensee pursuant to
38 paragraph (3), the department shall notify the affected individual
39 of his or her right to seek an exemption from disqualification
40 pursuant to subdivision (g). The individual may seek an exemption

1 from disqualification only if the licensee terminates the person's
2 employment or removes the person from the facility after receiving
3 notice from the department pursuant to paragraph (3).

4 (d) (1) Before issuing a license or certificate of approval to any
5 person or persons to operate a foster family home or certified
6 family home as described in Section 1506, the State Department
7 of Social Services or other approving authority shall secure
8 California and Federal Bureau of Investigation criminal history
9 information to determine whether the applicant or any person
10 specified in subdivision (b) who is not exempt from fingerprinting
11 has ever been convicted of a crime other than a minor traffic
12 violation or arrested for any crime specified in subdivision (c) of
13 Section 290 of the Penal Code, for violating Section 245 or 273.5,
14 subdivision (b) of Section 273a or, prior to January 1, 1994,
15 paragraph (2) of Section 273a of the Penal Code, or for any crime
16 for which the department cannot grant an exemption if the person
17 was convicted and the person has not been exonerated. The State
18 Department of Social Services or other approving authority shall
19 not issue a license or certificate of approval to any foster family
20 home or certified family home applicant who has not obtained
21 both a California and Federal Bureau of Investigation criminal
22 record clearance or exemption from disqualification pursuant to
23 subdivision (g).

24 (2) The criminal history information shall include the full
25 criminal record, if any, of those persons.

26 (3) Neither the Department of Justice nor the State Department
27 of Social Services may charge a fee for the fingerprinting of an
28 applicant for a license, special permit, or certificate of approval
29 described in this subdivision. The record, if any, shall be taken
30 into consideration when evaluating a prospective applicant.

31 (4) The following shall apply to the criminal record information:

32 (A) If the applicant or other persons specified in subdivision
33 (b) who are not exempt from fingerprinting have convictions that
34 would make the applicant's home unfit as a foster family home or
35 a certified family home, the license, special permit, or certificate
36 of approval shall be denied.

37 (B) If the State Department of Social Services finds that the
38 applicant, or any person specified in subdivision (b) who is not
39 exempt from fingerprinting is awaiting trial for a crime other than
40 a minor traffic violation, the State Department of Social Services

1 or other approving authority may cease processing the application
2 until the conclusion of the trial.

3 (C) For purposes of this subdivision, a criminal record clearance
4 provided under Section 8712 of the Family Code may be used by
5 the department or other approving agency.

6 (D) To the same extent required for federal funding, an applicant
7 for a foster family home license or for certification as a family
8 home, and any other person specified in subdivision (b) who is
9 not exempt from fingerprinting, shall submit a set of fingerprint
10 images and related information to the Department of Justice and
11 the Federal Bureau of Investigation, through the Department of
12 Justice, for a state and federal level criminal offender record
13 information search, in addition to the criminal records search
14 required by subdivision (a).

15 (5) Any person specified in this subdivision shall, as a part of
16 the application, be fingerprinted and sign a declaration under
17 penalty of perjury regarding any prior criminal convictions or
18 arrests for any crime against a child, spousal or cohabitant abuse
19 or, any crime for which the department cannot grant an exemption
20 if the person was convicted and shall submit these fingerprints to
21 the licensing agency or other approving authority.

22 (6) (A) Subsequent to initial licensure or certification, a person
23 specified in subdivision (b) who is not exempt from fingerprinting
24 shall obtain both a California and Federal Bureau of Investigation
25 criminal record clearance, or an exemption from disqualification
26 pursuant to subdivision (g), prior to employment, residence, or
27 initial presence in the foster family or certified family home. A
28 foster family home licensee or foster family agency shall submit
29 fingerprint images and related information of persons specified in
30 subdivision (b) who are not exempt from fingerprinting to the
31 Department of Justice and the Federal Bureau of Investigation,
32 through the Department of Justice, for a state and federal level
33 criminal offender record information search, or to comply with
34 paragraph (1) of subdivision (h). A foster family home licensee's
35 or a foster family agency's failure to either prohibit the
36 employment, residence, or initial presence of a person specified
37 in subdivision (b) who is not exempt from fingerprinting and who
38 has not received either a criminal record clearance or an exemption
39 from disqualification pursuant to subdivision (g), or comply with
40 paragraph (1) of subdivision (h), as required in this section, shall

1 result in a citation of a deficiency, and the immediate civil penalties
2 of one hundred dollars (\$100) per violation per day for a maximum
3 of five days, unless the violation is a second or subsequent violation
4 within a 12-month period in which case the civil penalties shall
5 be in the amount of one hundred dollars (\$100) per violation for
6 a maximum of 30 days, and shall be grounds for disciplining the
7 licensee pursuant to Section 1550. A violation of the regulation
8 adopted pursuant to Section 1522.04 shall result in the citation of
9 a deficiency and an immediate assessment of civil penalties in the
10 amount of one hundred dollars (\$100) per violation per day for a
11 maximum of five days, unless the violation is a second or
12 subsequent violation within a 12-month period in which case the
13 civil penalties shall be in the amount of one hundred dollars (\$100)
14 per violation for a maximum of 30 days, and shall be grounds for
15 disciplining the foster family home licensee or the foster family
16 agency pursuant to Section 1550. The State Department of Social
17 Services may assess penalties for continued violations, as permitted
18 by Section 1548. The fingerprint images shall then be submitted
19 to the Department of Justice for processing.

20 (B) Upon request of the licensee, who shall enclose a
21 self-addressed envelope for this purpose, the Department of Justice
22 shall verify receipt of the fingerprints. Within five working days
23 of the receipt of the criminal record or information regarding
24 criminal convictions from the Department of Justice, the
25 department shall notify the applicant of any criminal arrests or
26 convictions. If no arrests or convictions are recorded, the
27 Department of Justice shall provide the foster family home licensee
28 or the foster family agency with a statement of that fact concurrent
29 with providing the information to the State Department of Social
30 Services.

31 (7) If the State Department of Social Services finds that the
32 applicant, or any other person specified in subdivision (b) who is
33 not exempt from fingerprinting, has been convicted of a crime
34 other than a minor traffic violation, the application shall be denied,
35 unless the director grants an exemption from disqualification
36 pursuant to subdivision (g).

37 (8) If the State Department of Social Services finds after
38 licensure or the granting of the certificate of approval that the
39 licensee, certified foster parent, or any other person specified in
40 subdivision (b) who is not exempt from fingerprinting, has been

1 convicted of a crime other than a minor traffic violation, the license
2 or certificate of approval may be revoked by the department or the
3 foster family agency, whichever is applicable, unless the director
4 grants an exemption from disqualification pursuant to subdivision
5 (g). A licensee's failure to comply with the department's
6 prohibition of employment, contact with clients, or presence in
7 the facility as required by paragraph (3) of subdivision (c) shall
8 be grounds for disciplining the licensee pursuant to Section 1550.

9 (e) The State Department of Social Services shall not use a
10 record of arrest to deny, revoke, or terminate any application,
11 license, employment, or residence unless the department
12 investigates the incident and secures evidence, whether or not
13 related to the incident of arrest, that is admissible in an
14 administrative hearing to establish conduct by the person that may
15 pose a risk to the health and safety of any person who is or may
16 become a client. The State Department of Social Services is
17 authorized to obtain any arrest or conviction records or reports
18 from any law enforcement agency as necessary to the performance
19 of its duties to inspect, license, and investigate community care
20 facilities and individuals associated with a community care facility.

21 (f) (1) For purposes of this section or any other provision of
22 this chapter, a conviction means a plea or verdict of guilty or a
23 conviction following a plea of nolo contendere. Any action that
24 the State Department of Social Services is permitted to take
25 following the establishment of a conviction may be taken when
26 the time for appeal has elapsed, when the judgment of conviction
27 has been affirmed on appeal, or when an order granting probation
28 is made suspending the imposition of sentence, notwithstanding
29 a subsequent order pursuant to Sections 1203.4 and 1203.4a of the
30 Penal Code permitting the person to withdraw his or her plea of
31 guilty and to enter a plea of not guilty, or setting aside the verdict
32 of guilty, or dismissing the accusation, information, or indictment.
33 For purposes of this section or any other provision of this chapter,
34 the record of a conviction, or a copy thereof certified by the clerk
35 of the court or by a judge of the court in which the conviction
36 occurred, shall be conclusive evidence of the conviction. For
37 purposes of this section or any other provision of this chapter, the
38 arrest disposition report certified by the Department of Justice, or
39 documents admissible in a criminal action pursuant to Section
40 969b of the Penal Code, shall be prima facie evidence of the

1 conviction, notwithstanding any other law prohibiting the
2 admission of these documents in a civil or administrative action.

3 (2) For purposes of this section or any other provision of this
4 chapter, the department shall consider criminal convictions from
5 another state or federal court as if the criminal offense was
6 committed in this state.

7 (g) (1) After review of the record, the director may grant an
8 exemption from disqualification for a license or special permit as
9 specified in paragraph (4) of subdivision (a), or for a license,
10 special permit, or certificate of approval as specified in paragraphs
11 (4), (7), and (8) of subdivision (d), or for employment, residence,
12 or presence in a community care facility as specified in paragraphs
13 (3), (4), and (5) of subdivision (c), if the director has substantial
14 and convincing evidence to support a reasonable belief that the
15 applicant and the person convicted of the crime, if other than the
16 applicant, are of good character as to justify issuance of the license
17 or special permit or granting an exemption for purposes of
18 subdivision (c). Except as otherwise provided in this subdivision,
19 an exemption shall not be granted pursuant to this subdivision if
20 the conviction was for any of the following offenses:

21 (A) (i) An offense specified in Section 220, 243.4, or 264.1,
22 subdivision (a) of Section 273a or, prior to January 1, 1994,
23 paragraph (1) of Section 273a, Section 273d, 288, or 289,
24 subdivision (c) of Section 290, or Section 368 of the Penal Code,
25 or was a conviction of another crime against an individual specified
26 in subdivision (c) of Section 667.5 of the Penal Code.

27 (ii) Notwithstanding clause (i), the director may grant an
28 exemption regarding the conviction for an offense described in
29 paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5
30 of the Penal Code, if the employee or prospective employee has
31 been rehabilitated as provided in Section 4852.03 of the Penal
32 Code, has maintained the conduct required in Section 4852.05 of
33 the Penal Code for at least 10 years, and has the recommendation
34 of the district attorney representing the employee's county of
35 residence, or if the employee or prospective employee has received
36 a certificate of rehabilitation pursuant to Chapter 3.5 (commencing
37 with Section 4852.01) of Title 6 of Part 3 of the Penal Code. This
38 clause shall not apply to foster care providers, including relative
39 caregivers, nonrelated extended family members, or any other
40 person specified in subdivision (b), in those homes where the

1 individual has been convicted of an offense described in paragraph
2 (1) of subdivision (c) of Section 667.5 of the Penal Code.

3 (B) A felony offense specified in Section 729 of the Business
4 and Professions Code or Section 206 or 215, subdivision (a) of
5 Section 347, subdivision (b) of Section 417, or subdivision (a) of
6 Section 451 of the Penal Code.

7 (C) Under no circumstances shall an exemption be granted
8 pursuant to this subdivision to any foster care provider applicant
9 if that applicant, or any other person specified in subdivision (b)
10 in those homes, has a felony conviction for either of the following
11 offenses:

12 (i) A felony conviction for child abuse or neglect, spousal abuse,
13 crimes against a child, including child pornography, or for a crime
14 involving violence, including rape, sexual assault, or homicide,
15 but not including other physical assault and battery. For purposes
16 of this subparagraph, a crime involving violence means a violent
17 crime specified in clause (i) of subparagraph (A), or subparagraph
18 (B).

19 (ii) A felony conviction, within the last five years, for physical
20 assault, battery, or a drug- or alcohol-related offense.

21 (iii) This subparagraph shall not apply to licenses or approvals
22 wherein a caregiver was granted an exemption to a criminal
23 conviction described in clause (i) or (ii) prior to the enactment of
24 this subparagraph.

25 (iv) This subparagraph shall remain operative only to the extent
26 that compliance with its provisions is required by federal law as
27 a condition for receiving funding under Title IV-E of the federal
28 Social Security Act (42 U.S.C. Sec. 670 et seq.).

29 (2) The department shall not prohibit a person from being
30 employed or having contact with clients in a facility on the basis
31 of a denied criminal record exemption request or arrest information
32 unless the department complies with the requirements of Section
33 1558.

34 (h) (1) For purposes of compliance with this section, the
35 department may permit an individual to transfer a current criminal
36 record clearance, as defined in subdivision (a), from one facility
37 to another, as long as the criminal record clearance has been
38 processed through a state licensing district office, and is being
39 transferred to another facility licensed by a state licensing district
40 office. The request shall be in writing to the State Department of

1 Social Services, and shall include a copy of the person's driver's
2 license or valid identification card issued by the Department of
3 Motor Vehicles, or a valid photo identification issued by another
4 state or the United States government if the person is not a
5 California resident. Upon request of the licensee, who shall enclose
6 a self-addressed envelope for this purpose, the State Department
7 of Social Services shall verify whether the individual has a
8 clearance that can be transferred.

9 (2) The State Department of Social Services shall hold criminal
10 record clearances in its active files for a minimum of three years
11 after an employee is no longer employed at a licensed facility in
12 order for the criminal record clearance to be transferred.

13 (3) The following shall apply to a criminal record clearance or
14 exemption from the department or a county office with
15 department-delegated licensing authority:

16 (A) A county office with department-delegated licensing
17 authority may accept a clearance or exemption from the
18 department.

19 (B) The department may accept a clearance or exemption from
20 any county office with department-delegated licensing authority.

21 (C) A county office with department-delegated licensing
22 authority may accept a clearance or exemption from any other
23 county office with department-delegated licensing authority.

24 (4) With respect to notifications issued by the Department of
25 Justice pursuant to Section 11105.2 of the Penal Code concerning
26 an individual whose criminal record clearance was originally
27 processed by the department or a county office with
28 department-delegated licensing authority, all of the following shall
29 apply:

30 (A) The Department of Justice shall process a request from the
31 department or a county office with department-delegated licensing
32 authority to receive the notice only if all of the following conditions
33 are met:

34 (i) The request shall be submitted to the Department of Justice
35 by the agency to be substituted to receive the notification.

36 (ii) The request shall be for the same applicant type as the type
37 for which the original clearance was obtained.

38 (iii) The request shall contain all prescribed data elements and
39 format protocols pursuant to a written agreement between the
40 department and the Department of Justice.

1 (B) (i) On or before January 7, 2005, the department shall notify
2 the Department of Justice of all county offices that have
3 department-delegated licensing authority.

4 (ii) The department shall notify the Department of Justice within
5 15 calendar days of the date on which a new county office receives
6 department-delegated licensing authority or a county's delegated
7 licensing authority is rescinded.

8 (C) The Department of Justice shall charge the department, a
9 county office with department-delegated licensing authority, or a
10 county child welfare agency with criminal record clearance and
11 exemption authority, a fee for each time a request to substitute the
12 recipient agency is received for purposes of this paragraph. This
13 fee shall not exceed the cost of providing the service.

14 (5) (A) A county child welfare agency with authority to secure
15 clearances pursuant to Section 16504.5 of the Welfare and
16 Institutions Code and to grant exemptions pursuant to Section
17 361.4 of the Welfare and Institutions Code may accept a clearance
18 or exemption from another county with criminal record and
19 exemption authority pursuant to these sections.

20 (B) With respect to notifications issued by the Department of
21 Justice pursuant to Section 11105.2 of the Penal Code concerning
22 an individual whose criminal record clearance was originally
23 processed by a county child welfare agency with criminal record
24 clearance and exemption authority, the Department of Justice shall
25 process a request from a county child welfare agency with criminal
26 record and exemption authority to receive the notice only if all of
27 the following conditions are met:

28 (i) The request shall be submitted to the Department of Justice
29 by the agency to be substituted to receive the notification.

30 (ii) The request shall be for the same applicant type as the type
31 for which the original clearance was obtained.

32 (iii) The request shall contain all prescribed data elements and
33 format protocols pursuant to a written agreement between the State
34 Department of Social Services and the Department of Justice.

35 (i) The full criminal record obtained for purposes of this section
36 may be used by the department or by a licensed adoption agency
37 as a clearance required for adoption purposes.

38 (j) If a licensee or facility is required by law to deny employment
39 or to terminate employment of any employee based on written
40 notification from the state department that the employee has a prior

1 criminal conviction or is determined unsuitable for employment
2 under Section 1558, the licensee or facility shall not incur civil
3 liability or unemployment insurance liability as a result of that
4 denial or termination.

5 (k) The State Department of Social Services may charge a fee
6 for the costs of processing electronic fingerprint images and related
7 information.

8 (l) Amendments to this section made in the 1999 portion of the
9 1999–2000 Regular Session shall be implemented commencing
10 60 days after the effective date of the act amending this section in
11 the 1999 portion of the 1999–2000 Regular Session, except that
12 those provisions for the submission of fingerprints for searching
13 the records of the Federal Bureau of Investigation shall be
14 implemented 90 days after the effective date of that act.

15 SEC. 4. Section 1596.871 of the Health and Safety Code is
16 amended to read:

17 1596.871. The Legislature recognizes the need to generate
18 timely and accurate positive fingerprint identification of applicants
19 as a condition of issuing licenses, permits, or certificates of
20 approval for persons to operate or provide direct care services in
21 a child care center or family child care home. It is the intent of the
22 Legislature in enacting this section to require the fingerprints of
23 those individuals whose contact with child day care facility clients
24 may pose a risk to the children's health and safety. An individual
25 shall be required to obtain either a criminal record clearance or a
26 criminal record exemption from the State Department of Social
27 Services before his or her initial presence in a child day care
28 facility.

29 (a) (1) Before issuing a license or special permit to any person
30 to operate or manage a day care facility, the department shall secure
31 from an appropriate law enforcement agency a criminal record to
32 determine whether the applicant or any other person specified in
33 subdivision (b) has ever been convicted of a crime other than a
34 minor traffic violation or arrested for any crime specified in
35 subdivision (c) of Section 290 of the Penal Code, for violating
36 Section 245 or 273.5, subdivision (b) of Section 273a or, prior to
37 January 1, 1994, paragraph (2) of Section 273a of the Penal Code,
38 or for any crime for which the department cannot grant an
39 exemption if the person was convicted and the person has not been
40 exonerated.

1 (2) The criminal history information shall include the full
2 criminal record, if any, of those persons, and subsequent arrest
3 information pursuant to Section 11105.2 of the Penal Code.

4 (3) Except during the 2003–04 through 2012–13 fiscal years,
5 inclusive, neither the Department of Justice nor the department
6 may charge a fee for the fingerprinting of an applicant who will
7 serve six or fewer children or any family day care applicant for a
8 license, or for obtaining a criminal record of an applicant pursuant
9 to this section.

10 (4) The following shall apply to the criminal record information:

11 (A) If the State Department of Social Services finds that the
12 applicant or any other person specified in subdivision (b) has been
13 convicted of a crime, other than a minor traffic violation, the
14 application shall be denied, unless the director grants an exemption
15 pursuant to subdivision (f).

16 (B) If the State Department of Social Services finds that the
17 applicant, or any other person specified in subdivision (b), is
18 awaiting trial for a crime other than a minor traffic violation, the
19 State Department of Social Services may cease processing the
20 application until the conclusion of the trial.

21 (C) If no criminal record information has been recorded, the
22 Department of Justice shall provide the applicant and the State
23 Department of Social Services with a statement of that fact.

24 (D) If the State Department of Social Services finds after
25 licensure that the licensee, or any other person specified in
26 paragraph (2) of subdivision (b), has been convicted of a crime
27 other than a minor traffic violation, the license may be revoked,
28 unless the director grants an exemption pursuant to subdivision
29 (f).

30 (E) An applicant and any other person specified in subdivision
31 (b) shall submit fingerprint images and related information to the
32 Department of Justice and the Federal Bureau of Investigation,
33 through the Department of Justice, for a state and federal level
34 criminal offender record information search, in addition to the
35 search required by subdivision (a). If an applicant meets all other
36 conditions for licensure, except receipt of the Federal Bureau of
37 Investigation's criminal history information for the applicant and
38 persons listed in subdivision (b), the department may issue a license
39 if the applicant and each person described by subdivision (b) has
40 signed and submitted a statement that he or she has never been

1 convicted of a crime in the United States, other than a traffic
2 infraction as defined in paragraph (1) of subdivision (a) of Section
3 42001 of the Vehicle Code. If, after licensure, the department
4 determines that the licensee or person specified in subdivision (b)
5 has a criminal record, the license may be revoked pursuant to
6 Section 1596.885. The department may also suspend the license
7 pending an administrative hearing pursuant to Section 1596.886.

8 (b) (1) In addition to the applicant, this section shall be
9 applicable to criminal convictions of the following persons:

10 (A) Adults responsible for administration or direct supervision
11 of staff.

12 (B) Any person, other than a child, residing in the facility.

13 (C) Any person who provides care and supervision to the
14 children.

15 (D) Any staff person, volunteer, or employee who has contact
16 with the children.

17 (i) A volunteer providing time-limited specialized services shall
18 be exempt from the requirements of this subdivision if this person
19 is directly supervised by the licensee or a facility employee with
20 a criminal record clearance or exemption, the volunteer spends no
21 more than 16 hours per week at the facility, and the volunteer is
22 not left alone with children in care.

23 (ii) A student enrolled or participating at an accredited
24 educational institution shall be exempt from the requirements of
25 this subdivision if the student is directly supervised by the licensee
26 or a facility employee with a criminal record clearance or
27 exemption, the facility has an agreement with the educational
28 institution concerning the placement of the student, the student
29 spends no more than 16 hours per week at the facility, and the
30 student is not left alone with children in care.

31 (iii) A volunteer who is a relative, legal guardian, or foster parent
32 of a client in the facility shall be exempt from the requirements of
33 this subdivision.

34 (iv) A contracted repair person retained by the facility, if not
35 left alone with children in care, shall be exempt from the
36 requirements of this subdivision.

37 (v) Any person similar to those described in this subdivision,
38 as defined by the department in regulations.

39 (E) If the applicant is a firm, partnership, association, or
40 corporation, the chief executive officer, other person serving in

1 like capacity, or a person designated by the chief executive officer
2 as responsible for the operation of the facility, as designated by
3 the applicant agency.

4 (F) If the applicant is a local educational agency, the president
5 of the governing board, the school district superintendent, or a
6 person designated to administer the operation of the facility, as
7 designated by the local educational agency.

8 (G) Additional officers of the governing body of the applicant,
9 or other persons with a financial interest in the applicant, as
10 determined necessary by the department by regulation. The criteria
11 used in the development of these regulations shall be based on the
12 person's capability to exercise substantial influence over the
13 operation of the facility.

14 (H) This section does not apply to employees of child care and
15 development programs under contract with the State Department
16 of Education who have completed a criminal record clearance as
17 part of an application to the Commission on Teacher Credentialing,
18 and who possess a current credential or permit issued by the
19 commission, including employees of child care and development
20 programs that serve both children subsidized under, and children
21 not subsidized under, a State Department of Education contract.
22 The Commission on Teacher Credentialing shall notify the
23 department upon revocation of a current credential or permit issued
24 to an employee of a child care and development program under
25 contract with the State Department of Education.

26 (I) This section does not apply to employees of a child care and
27 development program operated by a school district, county office
28 of education, or community college district under contract with
29 the State Department of Education who have completed a criminal
30 record clearance as a condition of employment. The school district,
31 county office of education, or community college district upon
32 receiving information that the status of an employee's criminal
33 record clearance has changed shall submit that information to the
34 department.

35 (2) Nothing in this subdivision shall prevent a licensee from
36 requiring a criminal record clearance of any individuals exempt
37 from the requirements under this subdivision.

38 (c) (1) (A) Subsequent to initial licensure, any person specified
39 in subdivision (b) and not exempted from fingerprinting shall, as
40 a condition to employment, residence, or presence in a child day

1 care facility be fingerprinted and sign a declaration under penalty
2 of perjury regarding any prior criminal conviction. The licensee
3 shall submit fingerprint images and related information to the
4 Department of Justice and the Federal Bureau of Investigation,
5 through the Department of Justice, or to comply with paragraph
6 (1) of subdivision (h), prior to the person's employment, residence,
7 or initial presence in the child day care facility.

8 (B) These fingerprint images for the purpose of obtaining a
9 permanent set of fingerprints shall be electronically submitted to
10 the Department of Justice in a manner approved by the State
11 Department of Social Services and to the Department of Justice,
12 or to comply with paragraph (1) of subdivision (h), as required in
13 this section, shall result in the citation of a deficiency, and an
14 immediate assessment of civil penalties in the amount of one
15 hundred dollars (\$100) per violation per day for a maximum of
16 five days, unless the violation is a second or subsequent violation
17 within a 12-month period in which case the civil penalties shall
18 be in the amount of one hundred dollars (\$100) per violation for
19 a maximum of 30 days, and shall be grounds for disciplining the
20 licensee pursuant to Section 1596.885 or Section 1596.886. The
21 State Department of Social Services may assess civil penalties for
22 continued violations permitted by Sections 1596.99 and 1597.62.
23 The fingerprint images and related information shall then be
24 submitted to the department for processing. Within 14 calendar
25 days of the receipt of the fingerprint images, the Department of
26 Justice shall notify the State Department of Social Services of the
27 criminal record information, as provided in this subdivision. If no
28 criminal record information has been recorded, the Department of
29 Justice shall provide the licensee and the State Department of
30 Social Services with a statement of that fact within 14 calendar
31 days of receipt of the fingerprint images. If new fingerprint images
32 are required for processing, the Department of Justice shall, within
33 14 calendar days from the date of receipt of the fingerprint images,
34 notify the licensee that the fingerprints were illegible.

35 (C) Documentation of the individual's clearance or exemption
36 shall be maintained by the licensee, and shall be available for
37 inspection. When live-scan technology is operational, as defined
38 in Section 1522.04, the Department of Justice shall notify the
39 department, as required by that section, and notify the licensee by
40 mail within 14 days of electronic transmission of the fingerprints

1 to the Department of Justice, if the person has no criminal record.
2 Any violation of the regulations adopted pursuant to Section
3 1522.04 shall result in the citation of a deficiency and an immediate
4 assessment of civil penalties in the amount of one hundred dollars
5 (\$100) per violation per day for a maximum of five days, unless
6 the violation is a second or subsequent violation within a 12-month
7 period in which case the civil penalties shall be in the amount of
8 one hundred dollars (\$100) per violation for a maximum of 30
9 days, and shall be grounds for disciplining the licensee pursuant
10 to Section 1596.885 or Section 1596.886. The department may
11 assess civil penalties for continued violations, as permitted by
12 Sections 1596.99 and 1597.62.

13 (2) Except for persons specified in paragraph (2) of subdivision
14 (b), the licensee shall endeavor to ascertain the previous
15 employment history of persons required to be fingerprinted under
16 this subdivision. If it is determined by the department, on the basis
17 of fingerprints submitted to the Department of Justice, that the
18 person has been convicted of a sex offense against a minor, an
19 offense specified in Section 243.4, 273a, 273d, 273g, or 368 of
20 the Penal Code, or a felony, the State Department of Social
21 Services shall notify the licensee to act immediately to terminate
22 the person's employment, remove the person from the child day
23 care facility, or bar the person from entering the child day care
24 facility. The department may subsequently grant an exemption
25 pursuant to subdivision (f). If the conviction was for another crime
26 except a minor traffic violation, the licensee shall, upon notification
27 by the State Department of Social Services, act immediately to
28 either (1) terminate the person's employment, remove the person
29 from the child day care facility, or bar the person from entering
30 the child day care facility; or (2) seek an exemption pursuant to
31 subdivision (f). The department shall determine if the person shall
32 be allowed to remain in the facility until a decision on the
33 exemption is rendered. A licensee's failure to comply with the
34 department's prohibition of employment, contact with clients, or
35 presence in the facility as required by this paragraph shall result
36 in a citation of deficiency and an immediate assessment of civil
37 penalties by the department against the licensee, in the amount of
38 one hundred dollars (\$100) per violation per day for a maximum
39 of five days, unless the violation is a second or subsequent violation
40 within a 12-month period in which case the civil penalties shall

1 be in the amount of one hundred dollars (\$100) per violation for
2 a maximum of 30 days, and shall be grounds for disciplining the
3 licensee pursuant to Section 1596.885 or 1596.886.

4 (3) The department may issue an exemption on its own motion
5 pursuant to subdivision (f) if the person's criminal history indicates
6 that the person is of good character based on the age, seriousness,
7 and frequency of the conviction or convictions. The department,
8 in consultation with interested parties, shall develop regulations
9 to establish the criteria to grant an exemption pursuant to this
10 paragraph.

11 (4) Concurrently with notifying the licensee pursuant to
12 paragraph (3), the department shall notify the affected individual
13 of his or her right to seek an exemption pursuant to subdivision
14 (f). The individual may seek an exemption only if the licensee
15 terminates the person's employment or removes the person from
16 the facility after receiving notice from the department pursuant to
17 paragraph (3).

18 (d) (1) For purposes of this section or any other provision of
19 this chapter, a conviction means a plea or verdict of guilty or a
20 conviction following a plea of nolo contendere. Any action that
21 the department is permitted to take following the establishment of
22 a conviction may be taken when the time for appeal has elapsed,
23 when the judgment of conviction has been affirmed on appeal, or
24 when an order granting probation is made suspending the
25 imposition of sentence, notwithstanding a subsequent order
26 pursuant to Sections 1203.4 and 1203.4a of the Penal Code
27 permitting the person to withdraw his or her plea of guilty and to
28 enter a plea of not guilty, or setting aside the verdict of guilty, or
29 dismissing the accusation, information, or indictment. For purposes
30 of this section or any other provision of this chapter, the record of
31 a conviction, or a copy thereof certified by the clerk of the court
32 or by a judge of the court in which the conviction occurred, shall
33 be conclusive evidence of the conviction. For purposes of this
34 section or any other provision of this chapter, the arrest disposition
35 report certified by the Department of Justice, or documents
36 admissible in a criminal action pursuant to Section 969b of the
37 Penal Code, shall be prima facie evidence of conviction,
38 notwithstanding any other provision of law prohibiting the
39 admission of these documents in a civil or administrative action.

1 (2) For purposes of this section or any other provision of this
2 chapter, the department shall consider criminal convictions from
3 another state or federal court as if the criminal offense was
4 committed in this state.

5 (e) The State Department of Social Services may not use a
6 record of arrest to deny, revoke, or terminate any application,
7 license, employment, or residence unless the department
8 investigates the incident and secures evidence, whether or not
9 related to the incident of arrest, that is admissible in an
10 administrative hearing to establish conduct by the person that may
11 pose a risk to the health and safety of any person who is or may
12 become a client. The State Department of Social Services is
13 authorized to obtain any arrest or conviction records or reports
14 from any law enforcement agency as necessary to the performance
15 of its duties to inspect, license, and investigate community care
16 facilities and individuals associated with a community care facility.

17 (f) (1) After review of the record, the director may grant an
18 exemption from disqualification for a license or special permit as
19 specified in paragraphs (1) and (4) of subdivision (a), or for
20 employment, residence, or presence in a child day care facility as
21 specified in paragraphs (3), (4), and (5) of subdivision (c) if the
22 director has substantial and convincing evidence to support a
23 reasonable belief that the applicant and the person convicted of
24 the crime, if other than the applicant, are of good character so as
25 to justify issuance of the license or special permit or granting an
26 exemption for purposes of subdivision (c). However, an exemption
27 may not be granted pursuant to this subdivision if the conviction
28 was for any of the following offenses:

29 (A) An offense specified in Section 220, 243.4, or 264.1,
30 subdivision (a) of Section 273a or, prior to January 1, 1994,
31 paragraph (1) of Section 273a, Section 273d, 288, or 289,
32 subdivision (c) of Section 290, or Section 368 of the Penal Code,
33 or was a conviction of another crime against an individual specified
34 in subdivision (c) of Section 667.5 of the Penal Code.

35 (B) A felony offense specified in Section 729 of the Business
36 and Professions Code or Section 206 or 215, subdivision (a) of
37 Section 347, subdivision (b) of Section 417, or subdivision (a) or
38 (b) of Section 451 of the Penal Code.

39 (2) The department may not prohibit a person from being
40 employed or having contact with clients in a facility on the basis

1 of a denied criminal record exemption request or arrest information
2 unless the department complies with the requirements of Section
3 1596.8897.

4 (g) Upon request of the licensee, who shall enclose a
5 self-addressed stamped postcard for this purpose, the Department
6 of Justice shall verify receipt of the fingerprint images.

7 (h) (1) For the purposes of compliance with this section, the
8 department may permit an individual to transfer a current criminal
9 record clearance, as defined in subdivision (a), from one facility
10 to another, as long as the criminal record clearance has been
11 processed through a state licensing district office, and is being
12 transferred to another facility licensed by a state licensing district
13 office. The request shall be in writing to the department, and shall
14 include a copy of the person's driver's license or valid
15 identification card issued by the Department of Motor Vehicles,
16 or a valid photo identification issued by another state or the United
17 States government if the person is not a California resident. Upon
18 request of the licensee, who shall enclose a self-addressed stamped
19 envelope for this purpose, the department shall verify whether the
20 individual has a clearance that can be transferred.

21 (2) The State Department of Social Services shall hold criminal
22 record clearances in its active files for a minimum of two years
23 after an employee is no longer employed at a licensed facility in
24 order for the criminal record clearances to be transferred.

25 (3) The following shall apply to a criminal record clearance or
26 exemption from the department or a county office with
27 department-delegated licensing authority:

28 (A) A county office with department-delegated licensing
29 authority may accept a clearance or exemption from the
30 department.

31 (B) The department may accept a clearance or exemption from
32 any county office with department-delegated licensing authority.

33 (C) A county office with department-delegated licensing
34 authority may accept a clearance or exemption from any other
35 county office with department-delegated licensing authority.

36 (4) With respect to notifications issued by the Department of
37 Justice pursuant to Section 11105.2 of the Penal Code concerning
38 an individual whose criminal record clearance was originally
39 processed by the department or a county office with

1 department-delegated licensing authority, all of the following shall
2 apply:

3 (A) The Department of Justice shall process a request from the
4 department or a county office with department-delegated licensing
5 authority to receive the notice, only if all of the following
6 conditions are met:

7 (i) The request shall be submitted to the Department of Justice
8 by the agency to be substituted to receive the notification.

9 (ii) The request shall be for the same applicant type as the type
10 for which the original clearance was obtained.

11 (iii) The request shall contain all prescribed data elements and
12 format protocols pursuant to a written agreement between the
13 department and the Department of Justice.

14 (B) (i) On or before January 7, 2005, the department shall notify
15 the Department of Justice of all county offices that have
16 department-delegated licensing authority.

17 (ii) The department shall notify the Department of Justice within
18 15 calendar days of the date on which a new county office receives
19 department-delegated licensing authority or a county's delegated
20 licensing authority is rescinded.

21 (C) The Department of Justice shall charge the department or
22 a county office with department-delegated licensing authority a
23 fee for each time a request to substitute the recipient agency is
24 received for purposes of this paragraph. This fee shall not exceed
25 the cost of providing the service.

26 (i) Notwithstanding any other provision of law, the department
27 may provide an individual with a copy of his or her state or federal
28 level criminal offender record information search response as
29 provided to that department by the Department of Justice if the
30 department has denied a criminal background clearance based on
31 this information and the individual makes a written request to the
32 department for a copy specifying an address to which it is to be
33 sent. The state or federal level criminal offender record information
34 search response shall not be modified or altered from its form or
35 content as provided by the Department of Justice and shall be
36 provided to the address specified by the individual in his or her
37 written request. The department shall retain a copy of the
38 individual's written request and the response and date provided.

39 SEC. 5. Section 6151 of the Revenue and Taxation Code is
40 amended to read:

6151. (a) Beginning on the date for which the federal Centers for Medicare and Medicaid Services approves implementation of the state plan amendment described in subdivision (c) of Section 12306.6 of the Welfare and Institutions Code, but no earlier than January 1, 2012, for the privilege of selling support services at retail, the sales tax is hereby extended to all providers at the rate, as described in subdivision (b), of the gross receipts of any provider from the sale of all support services sold at retail in this state.

(b) The rate extended by subdivision (a) is the rate, as may be amended from time to time, imposed by Article 1 (commencing with Section 6051) plus the rate imposed by Section 35 of Article XIII of the California Constitution for the privilege of selling tangible personal property at retail in this state.

(c) Notwithstanding the implementation date of this article as provided for in subdivision (a), no tax shall be collected pursuant to this article prior to the receipt of approval by the federal Centers for Medicare and Medicaid Services of the implementation of Section 12306.6 of the Welfare and Institutions Code.

SEC. 6. Part 1.75 (commencing with Section 10200) of Division 9 of the Welfare and Institutions Code is repealed.

SEC. 7. Section 11265.45 is added to the Welfare and Institutions Code, to read:

11265.45. (a) Notwithstanding Sections 11265.1, 11265.2, and 11265.3, a CalWORKs assistance unit that does not include an eligible adult shall not be subject to periodic reporting requirements other than the annual redetermination required in Section 11265. This subdivision shall not apply to a CalWORKs assistance unit in which the only eligible adult is under sanction in accordance with Section 11327.5.

(b) For an assistance unit described in subdivision (a), grant calculations may not be revised to adjust the grant amount during the year except as provided in subdivisions (c), (d), (e), and (f), Section 11265.46 and as otherwise established by the department by regulation.

(c) Notwithstanding subdivision (b), statutes and regulations relating to the 48-month time limit, age limitations for children under Section 11253, and sanctions and financial penalties affecting eligibility or grant amount shall be applicable as provided in those statutes and regulations.

1 (d) If the county is notified that a child for whom assistance is
2 currently being paid has been placed in a foster care home, the
3 county shall discontinue aid to the child at the end of the month
4 of placement. The county shall discontinue the case if the
5 remaining assistance unit members are not otherwise eligible.

6 (e) If the county determines that a recipient is no longer a
7 California resident, pursuant to Section 11100, the recipient shall
8 be discontinued. The county shall discontinue the case if the
9 remaining assistance unit members are not otherwise eligible.

10 (f) If an overpayment has occurred, the county shall commence
11 any applicable grant adjustment in accordance with Section 11004
12 as of the first monthly grant after timely and adequate notice is
13 provided.

14 (g) This section shall become operative on the first day of the
15 first month following 90 days after the effective date of the act
16 that added this section, or October 1, 2012, whichever is later.

17 SEC. 8. Section 11265.46 is added to the Welfare and
18 Institutions Code, to read:

19 11265.46. (a) For an assistance unit described in subdivision
20 (a) of Section 11265.45, the grant amount a recipient shall be
21 entitled to receive for each month of the year shall be prospectively
22 determined as provided by this section. If a recipient reports that
23 he or she does not anticipate any changes in income during the
24 upcoming year, compared to the income the recipient reported
25 actually receiving on the annual redetermination form, the grant
26 shall be calculated using the actual income received. If a recipient
27 reports that he or she anticipates a change in income in one or more
28 months of the upcoming year, the county shall determine whether
29 the recipient's income is reasonably anticipated. The grant shall
30 be calculated using the income that the county determines is
31 reasonably anticipated for the upcoming year.

32 (b) For purposes of this section, income shall be considered to
33 be reasonably anticipated if the county is reasonably certain of the
34 amount of income and that the income will be received during the
35 year. The county shall determine what income is reasonably
36 anticipated based on information provided by the recipient and
37 any other available information.

38 (c) This section shall become operative on the first day of the
39 first month following 90 days after the effective date of the act
40 that added this section, or October 1, 2012, whichever is later.

1 SEC. 9. Section 11265.47 is added to the Welfare and
2 Institutions Code, to read:

3 11265.47. (a) The department shall establish an income
4 reporting threshold for CalWORKs assistance units described in
5 subdivision (a) of Section 11265.45.

6 (b) The income reporting threshold described in subdivision (a)
7 shall be the lesser of the following:

8 (1) Fifty-five percent of the monthly income for a family of
9 three at the federal poverty level, plus the amount of income last
10 used to calculate the recipient's monthly benefits.

11 (2) The amount likely to render the recipient ineligible for
12 federal Supplemental Nutrition Assistance Program benefits.

13 (3) The amount likely to render the recipient ineligible for
14 CalWORKs benefits.

15 (c) A recipient described in subdivision (a) of Section 11265.45
16 shall report to the county, orally or in writing, within 10 days,
17 when any of the following occurs:

18 (1) The monthly household income exceeds the threshold
19 established pursuant to this section.

20 (2) Any change in household composition.

21 (3) The household address has changed.

22 (4) A drug felony conviction, as specified in Section 11251.3.

23 (5) An incidence of an individual fleeing prosecution or custody
24 or confinement, or violating a condition or probation or parole, as
25 specified in Section 11486.5.

26 (d) When a recipient described in subdivision (a) of Section
27 11265.45 reports income or a household composition change
28 pursuant to subdivision (c), the county shall redetermine eligibility
29 and grant amounts as follows:

30 (1) If the recipient reports an increase in income or household
31 composition change for the first through 11th months of a year,
32 the county shall verify the report and determine the recipient's
33 financial eligibility and grant amount.

34 (A) If the recipient is determined to be financially ineligible
35 based on the increase in income or household composition change,
36 the county shall discontinue the recipient with timely and adequate
37 notice, effective at the end of the month in which the change
38 occurred.

39 (B) If it is determined that the recipient's grant amount should
40 decrease based on the increase in income, or increase or decrease

1 based on a change in household composition, the county shall
2 increase or reduce the recipient's grant amount for the remainder
3 of the year with timely and adequate notice, effective the first of
4 the month following the month in which the change occurred.

5 (2) If the recipient reports an increase in income for the 12th
6 month of a grant year, the county shall verify this report and
7 consider this income in redetermining eligibility and the grant
8 amount for the following year.

9 (e) During the year, a recipient described in subdivision (a) of
10 Section 11265.45 may report to the county, orally or in writing,
11 any changes in income that may increase the recipient's grant. If
12 the reported change is for the first through 11th month of a grant
13 year and results in an increase in benefits, the county shall
14 redetermine the grant for the current month and any remaining
15 months in the year. If the reported change is for the 12th month
16 of the grant year, the county shall not redetermine the grant for
17 the current year, but shall redetermine the grant for the following
18 year.

19 (f) During the year, a recipient described in subdivision (a) of
20 Section 11265.45 may request that the county discontinue the
21 recipient's entire assistance unit or any individual member of the
22 assistance unit who is no longer in the home or is an optional
23 member of the assistance unit. If the recipient's request is verbal,
24 the county shall provide a 10-day notice before discontinuing
25 benefits. If the recipient's request is in writing, the county shall
26 discontinue benefits effective the end of the month in which the
27 request is made, and simultaneously shall issue a notice informing
28 the recipient of the discontinuance.

29 (g) This section shall become operative on the first day of the
30 first month following 90 days after the effective date of the act
31 that added this section, or October 1, 2012, whichever is later.

32 SEC. 10. Section 11265.48 is added to the Welfare and
33 Institutions Code, to read:

34 11265.48. (a) To the extent permitted by federal law,
35 regulations, waivers, and directives, the department shall implement
36 Sections 11265.45, 11265.46, and 11265.47 in a cost-effective
37 manner that promotes compatibility between the CalWORKs
38 program and CalFresh, and minimizes the potential for payment
39 errors.

1 (b) The department shall seek all necessary waivers from the
2 United States Department of Agriculture to implement subdivision
3 (a).

4 (c) This section shall become operative on the first day of the
5 first month following 90 days after the effective date of the act
6 that added this section, or October 1, 2012, whichever is later.

7 SEC. 11. Section 11320.1 of the Welfare and Institutions Code
8 is amended to read:

9 11320.1. Subsequent to the commencement of the receipt of
10 aid under this chapter, the sequence of employment related
11 activities required of participants under this article, unless
12 exempted under Section 11320.3, shall be as follows:

13 (a) Job search. Recipients shall, and applicants may, at the
14 option of a county and with the consent of the applicant, receive
15 orientation to the welfare-to-work program provided under this
16 article, receive appraisal pursuant to Section 11325.2, and
17 participate in job search and job club activities provided pursuant
18 to Section 11325.22.

19 (b) Assessment. If employment is not found during the period
20 provided for pursuant to subdivision (a), or at any time the county
21 determines that participation in job search for the period specified
22 in subdivision (a) of Section 11325.22 is not likely to lead to
23 employment, the participant shall be referred to assessment, as
24 provided for in Section 11325.4. Following assessment, the county
25 and the participant shall develop a welfare-to-work plan, as
26 specified in Section 11325.21. The plan shall specify the activities
27 provided for in Section 11322.6 to which the participant shall be
28 assigned, and the supportive services, as provided for pursuant to
29 Section 11323.2, with which the recipient will be provided.

30 (c) Work activities. A participant who has signed a
31 welfare-to-work plan pursuant to Section 11325.21 shall participate
32 in work activities, as described in this article.

33 SEC. 12. Section 11320.3 of the Welfare and Institutions Code
34 is amended to read:

35 11320.3. (a) (1) Except as provided in subdivision (b) or if
36 otherwise exempt, every individual, as a condition of eligibility
37 for aid under this chapter, shall participate in welfare-to-work
38 activities under this article.

39 (2) Individuals eligible under Section 11331.5 shall be required
40 to participate in the Cal-Learn Program under Article 3.5

1 (commencing with Section 11331) during the time that article is
2 operative, in lieu of the welfare-to-work requirements, and
3 subdivision (b) shall not apply to that individual.

4 (b) The following individuals shall not be required to participate
5 for so long as the condition continues to exist:

6 (1) An individual under 16 years of age.

7 (2) (A) A child attending an elementary, secondary, vocational,
8 or technical school on a full-time basis.

9 (B) A person who is 16 or 17 years of age, or a person described
10 in subdivision (d) who loses this exemption, shall not requalify
11 for the exemption by attending school as a required activity under
12 this article.

13 (C) Notwithstanding subparagraph (B), a person who is 16 or
14 17 years of age who has obtained a high school diploma or its
15 equivalent and is enrolled or is planning to enroll in a
16 postsecondary education, vocational, or technical school training
17 program shall also not be required to participate for so long as the
18 condition continues to exist.

19 (D) For purposes of subparagraph (C), a person shall be deemed
20 to be planning to enroll in a postsecondary education, vocational,
21 or technical school training program if he or she, or his or her
22 parent, acting on his or her behalf, submits a written statement
23 expressing his or her intent to enroll in such a program for the
24 following term. The exemption from participation shall not
25 continue beyond the beginning of the term, unless verification of
26 enrollment is provided or obtained by the county.

27 (3) An individual who meets either of the following conditions:

28 (A) The individual is disabled as determined by a doctor's
29 verification that the disability is expected to last at least 30 days
30 and that it significantly impairs the recipient's ability to be
31 regularly employed or participate in welfare-to-work activities,
32 provided that the individual is actively seeking appropriate medical
33 treatment.

34 (B) The individual is of advanced age.

35 (4) A nonparent caretaker relative who has primary
36 responsibility for providing care for a child and is either caring for
37 a child who is a dependent or ward of the court or caring for a
38 child in a case in which a county determines the child is at risk of
39 placement in foster care, and the county determines that the
40 caretaking responsibilities are beyond those considered normal

1 day-to-day parenting responsibilities such that they impair the
2 caretaker relative's ability to be regularly employed or to participate
3 in welfare-to-work activities.

4 (5) An individual whose presence in the home is required
5 because of illness or incapacity of another member of the household
6 and whose caretaking responsibilities impair the recipient's ability
7 to be regularly employed or to participate in welfare-to-work
8 activities.

9 (6) A parent or other relative who meets the criteria in
10 subparagraph (A) or (B).

11 (A) (i) The parent or other relative has primary responsibility
12 for personally providing care to a child six months of age or under,
13 except that, on a case-by-case basis, and based on criteria
14 developed by the county, this period may be reduced to the first
15 12 weeks after the birth or adoption of the child, or increased to
16 the first 12 months after the birth or adoption of the child. An
17 individual may be exempt only once under this clause.

18 (ii) An individual who received an exemption pursuant to clause
19 (i) shall be exempt for a period of 12 weeks, upon the birth or
20 adoption of any subsequent children, except that this period may
21 be extended on a case-by-case basis to six months, based on criteria
22 developed by the county.

23 (iii) In making the determination to extend the period of
24 exception under clause (i) or (ii), the following may be considered:

25 (I) The availability of child care.

26 (II) Local labor market conditions.

27 (III) Other factors determined by the county.

28 (iv) Effective January 1, 2013, the parent or other relative has
29 primary responsibility for personally providing care to one child
30 from birth to 23 months, inclusive. The exemption provided for
31 under this clause shall be available in addition to any other
32 exemption provided for under this subparagraph. An individual
33 may be exempt only once under this clause.

34 (B) In a family eligible for aid under this chapter due to the
35 unemployment of the principal wage earner, the exemption criteria
36 contained in subparagraph (A) shall be applied to only one parent.

37 (7) A parent or other relative who has primary responsibility
38 for personally providing care to one child who is from 12 to 23
39 months of age, inclusive, or two or more children who are under
40 six years of age.

1 (8) A woman who is pregnant and for whom it has been
2 medically verified that the pregnancy impairs her ability to be
3 regularly employed or participate in welfare-to-work activities or
4 the county has determined that, at that time, participation will not
5 readily lead to employment or that a training activity is not
6 appropriate.

7 (c) Any individual not required to participate may choose to
8 participate voluntarily under this article, and end that participation
9 at any time without loss of eligibility for aid under this chapter, if
10 his or her status has not changed in a way that would require
11 participation.

12 (d) (1) Notwithstanding subdivision (a), a custodial parent who
13 is under 20 years of age and who has not earned a high school
14 diploma or its equivalent, and who is not exempt or whose only
15 basis for exemption is paragraph (1), (2), (5), (6), (7), or (8) of
16 subdivision (b), shall be required to participate solely for the
17 purpose of earning a high school diploma or its equivalent. During
18 the time that Article 3.5 (commencing with Section 11331) is
19 operative, this subdivision shall only apply to a custodial parent
20 who is 19 years of age.

21 (2) Section 11325.25 shall apply to a custodial parent who is
22 18 or 19 years of age and who is required to participate under this
23 article.

24 (e) Notwithstanding paragraph (1) of subdivision (d), the county
25 may determine that participation in education activities for the
26 purpose of earning a high school diploma or equivalent is
27 inappropriate for an 18 or 19 year old custodial parent only if that
28 parent is reassigned pursuant to an evaluation under Section
29 11325.25, or, at appraisal is already in an educational or vocational
30 training program that is approvable as a self-initiated program as
31 specified in Section 11325.23. If that determination is made, the
32 parent shall be allowed to continue participation in the self-initiated
33 program subject to Section 11325.23. During the time that Article
34 3.5 (commencing with Section 11331) is operative, this subdivision
35 shall only apply to a custodial parent who is 19 years of age.

36 (f) A recipient shall be excused from participation for good
37 cause when the county has determined there is a condition or other
38 circumstance that temporarily prevents or significantly impairs
39 the recipient's ability to be regularly employed or to participate in
40 welfare-to-work activities. The county welfare department shall

1 review the good cause determination for its continuing
2 appropriateness in accordance with the projected length of the
3 condition, or circumstance, but not less than every three months.
4 The recipient shall cooperate with the county welfare department
5 and provide information, including written documentation, as
6 required to complete the review. Conditions that may be considered
7 good cause include, but are not limited to, the following:

8 (1) Lack of necessary supportive services.

9 (2) In accordance with Article 7.5 (commencing with Section
10 11495), the applicant or recipient is a victim of domestic violence,
11 but only if participation under this article is detrimental to or
12 unfairly penalizes that individual or his or her family.

13 (3) Licensed or license-exempt child care for a child 10 years
14 of age or younger is not reasonably available during the
15 individual's hours of training or employment including commuting
16 time, or arrangements for child care have broken down or have
17 been interrupted, or child care is needed for a child who meets the
18 criteria of subparagraph (C) of paragraph (1) of subdivision (a) of
19 Section 11323.2, but who is not included in the assistance unit.
20 For purposes of this paragraph, "reasonable availability" means
21 child care that is commonly available in the recipient's community
22 to a person who is not receiving aid and that is in conformity with
23 the requirements of Public Law 104-193. The choices of child care
24 shall meet either licensing requirements or the requirements of
25 Section 11324. This good cause criterion shall include the
26 unavailability of suitable special needs child care for children with
27 identified special needs, including, but not limited to, disabilities
28 or chronic illnesses.

29 (g) (1) Paragraph (7) of subdivision (b) shall be implemented
30 notwithstanding Sections 11322.4, 11322.7, 11325.6, and 11327,
31 and shall become inoperative on January 1, 2013.

32 (2) The State Department of Social Services, in consultation
33 with the County Welfare Directors Association of California, and
34 advocates, shall develop a process to assist clients with
35 reengagement in welfare-to-work activities, pursuant to subdivision
36 ~~(g) of Section 11322.85~~ (h). Reengagement activities may include
37 notifying clients of the expiration of exemptions, reassessments,
38 and identifying necessary supportive services.

39 (h) (1) A recipient who was not required to participate in
40 welfare-to-work activities on December 31, 2012, because, in

1 accordance with paragraph (7) of subdivision (b), he or she is a
2 parent or other relative who has primary responsibility for
3 personally providing care to one child who is from 12 to 23 months
4 of age, inclusive, or two or more children who are under six years
5 of age shall not be required to participate until the county welfare
6 department reengages the recipient in welfare-to-work activities.

7 (2) For purposes of this subdivision, reengagement in
8 welfare-to-work activities shall include the development of a
9 welfare-to-work plan in accordance with Section 11325.21 and
10 the provision of necessary supportive services pursuant to Section
11 11323.2.

12 (3) County welfare departments shall reengage all recipients
13 described in paragraph (1) by January 1, 2015, unless the recipient
14 is otherwise eligible for an exemption under subdivision (b).

15 (4) A recipient reengaged in accordance with this subdivision
16 who has received assistance under this chapter, or from any state
17 pursuant to the Temporary Assistance for Needy Families program
18 (Part A (commencing with Section 401) of Title IV of the federal
19 Social Security Act (42 U.S.C. Sec. 601 et seq.)), may continue
20 in a welfare-to-work plan that meets the requirements of Section
21 11322.6 for a cumulative period of 24 months commencing the
22 first day of the first month after he or she is reengaged, unless or
23 until he or she exceeds the 48-month time limitation described in
24 Section 11454.

25 (5) All months of assistance described in paragraph (4) prior to
26 the reengagement of the recipient shall not be applied to the
27 24-month limitation described in paragraph (1) of subdivision (a)
28 of Section 11322.85.

29 SEC. 13. Section 11322.63 of the Welfare and Institutions
30 Code is amended to read:

31 11322.63. (a) For counties that implement a welfare-to-work
32 plan that includes activities pursuant to subdivisions (b) and (c)
33 of Section 11322.6, the State Department of Social Services shall
34 pay the county 50 percent, less fifty-six dollars (\$56), of the total
35 wage costs of an employee for whom a wage subsidy is paid,
36 subject to all of the following conditions:

37 (1) (A) For participants receiving CalWORKs aid, the maximum
38 state contribution of the total wage cost shall not exceed 100
39 percent of the computed grant for the assistance unit in the month
40 prior to participation in subsidized employment.

1 (B) For participants who have received aid in excess of the time
2 limits provided in subdivision (a) of Section 11454, the maximum
3 state contribution of the total wage cost, shall not exceed 100
4 percent of the computed grant for the assistance unit in the month
5 prior to participation in subsidized employment.

6 (C) In the case of an individual who participates in subsidized
7 employment as a service provided by a county pursuant to Section
8 11323.25, the maximum state contribution of the total wage cost
9 shall not exceed 100 percent of the computed grant that the
10 assistance unit received in the month prior to participation in the
11 subsidized employment.

12 (D) The maximum state contribution, as defined in this
13 paragraph, shall remain in effect until the end of the subsidy period
14 as specified in paragraph (2), including with respect to subsidized
15 employment participants whose wage results in the assistance unit
16 no longer receiving a CalWORKs grant.

17 (E) State funding provided for total wage costs shall only be
18 used to fund wage and nonwage costs of the county's subsidized
19 employment program.

20 (2) State participation in the total wage costs pursuant to this
21 section shall be limited to a maximum of six months of wage
22 subsidies for each participant. If the county finds that a longer
23 subsidy period is necessary in order to mutually benefit the
24 employer and the participant, state participation in a subsidized
25 wage may be offered for up to 12 months.

26 (3) Eligibility for entry into subsidized employment funded
27 under this section shall be limited to individuals who are not
28 otherwise employed at the time of entry into the subsidized job,
29 and who are current CalWORKs recipients, sanctioned individuals,
30 or individuals described in Section 11320.15 who have exceeded
31 the time limits specified in subdivision (a) of Section 11454. A
32 county may continue to provide subsidized employment funded
33 under this section to individuals who become ineligible for
34 CalWORKs benefits in accordance with Section 11323.25.

35 (b) Upon application for CalWORKs after a participant's
36 subsidized employment ends, if an assistance unit is otherwise
37 eligible within three calendar months of the date that subsidized
38 employment ended, the income exemption requirements contained
39 in Section 11451.5 and the work requirements contained in
40 subdivision (c) of Section 11201 shall apply. If aid is restored after

1 the expiration of that three-month period, the income exemption
2 requirements contained in Section 11450.12 and the work
3 requirements contained in subdivision (b) of Section 11201 shall
4 apply.

5 (c) The department, in conjunction with representatives of
6 county welfare offices and their directors and the Legislative
7 Analyst's Office, shall assess the cost neutrality of the subsidized
8 employment program pursuant to this section and make
9 recommendations to the Legislature, if necessary, to ensure cost
10 neutrality. The department shall testify regarding the cost neutrality
11 of the subsidized employment program during the 2012–13 fiscal
12 year legislative budget hearings.

13 (d) No later than January 10, 2013, the State Department of
14 Social Services shall submit a report to the Legislature on the
15 outcomes of implementing this section that shall include, but need
16 not be limited to, all of the following:

17 (1) The number of CalWORKs recipients that entered subsidized
18 employment.

19 (2) The number of CalWORKs recipients who found
20 nonsubsidized employment after the subsidy ends.

21 (3) The earnings of the program participants before and after
22 the subsidy.

23 (4) The impact of this program on the state's work participation
24 rate.

25 (e) Payment of the state's share in total wage costs required by
26 this section shall be made in addition to, and independent of, the
27 county allocations made pursuant to Section 15204.2.

28 (f) For purposes of this section, "total wage costs" include the
29 actual wage paid directly to the participant that is allowable under
30 the Temporary Assistance for Needy Families program.

31 (g) This section shall become inoperative on October 1, 2013,
32 and as of January 1, 2014, is repealed unless a later enacted statute
33 that is enacted before January 1, 2014, deletes or extends that date.

34 SEC. 14. Section 11322.63 is added to the Welfare and
35 Institutions Code, to read:

36 11322.63. (a) For counties that implement a welfare-to-work
37 plan that includes subsidized private sector or public sector
38 employment activities, the State Department of Social Services
39 shall pay the county 50 percent, less one hundred thirteen dollars

1 (\$113), of the total wage costs of an employee for whom a wage
2 subsidy is paid, subject to all of the following conditions:

3 (1) (A) For participants receiving CalWORKs aid, the maximum
4 state contribution of the total wage cost shall not exceed 100
5 percent of the computed grant for the assistance unit in the month
6 prior to participation in subsidized employment.

7 (B) For participants who have received aid in excess of the time
8 limits provided in subdivision (a) of Section 11454, the maximum
9 state contribution of the total wage cost shall not exceed 100
10 percent of the computed grant for the assistance unit in the month
11 prior to participation in subsidized employment.

12 (C) In the case of an individual who participates in subsidized
13 employment as a service provided by a county pursuant to Section
14 11323.25, the maximum state contribution of the total wage cost
15 shall not exceed 100 percent of the computed grant that the
16 assistance unit received in the month prior to participation in the
17 subsidized employment.

18 (D) The maximum state contribution, as defined in this
19 paragraph, shall remain in effect until the end of the subsidy period
20 as specified in paragraph (2), including with respect to subsidized
21 employment participants whose wage results in the assistance unit
22 no longer receiving a CalWORKs grant.

23 (E) State funding provided for total wage costs shall only be
24 used to fund wage and nonwage costs of the county's subsidized
25 employment program.

26 (2) State participation in the total wage costs pursuant to this
27 section shall be limited to a maximum of six months of wage
28 subsidies for each participant. If the county finds that a longer
29 subsidy period is necessary in order to mutually benefit the
30 employer and the participant, state participation in a subsidized
31 wage may be offered for up to 12 months.

32 (3) Eligibility for entry into subsidized employment funded
33 under this section shall be limited to individuals who are not
34 otherwise employed at the time of entry into the subsidized job,
35 and who are current CalWORKs recipients, sanctioned individuals,
36 or individuals described in Section 11320.15 who have exceeded
37 the time limits specified in subdivision (a) of Section 11454. A
38 county may continue to provide subsidized employment funded
39 under this section to individuals who become ineligible for
40 CalWORKs benefits in accordance with Section 11323.25.

9 (4) The recipient needs an additional period of time to complete

22 existence of the circumstances described in subdivision (a).

23 (2) An extension requested in accordance with paragraph (5)
24 of subdivision (a) shall be granted if evidence that a hearing date
25 has been established is provided to the county.

26 (3) At any hearing disputing a county's denial of an extension
27 in accordance with paragraph (1), the county shall have the burden
28 of proof to establish that an extension was not justified unless the
29 county demonstrates that the denial was due to the unavailability
30 of an extension in accordance with the 20-percent limitation
31 described in paragraph (2) of subdivision (a) of Section 11322.86.

32 (c) If, as a result of information already available to a county,
33 including the recipient's welfare-to-work plan and verifications

36 limitation described in paragraph (2) of subdivision (a) of Section
37 11322.86, a county ~~shall~~ *may* grant an extension of the 24-month
38 time limitation described in paragraph (1) of subdivision (a) of
39 Section 11322.85 to the recipient.

8 11325.7 and subdivision (e) of Section 11325.8, counties shall
9 have the option to redirect funding, both from and to, the amounts
10 appropriated for CalWORKs mental health employment assistance
11 services and CalWORKs substance abuse treatment services, from
12 and to other CalWORKs employment services that are necessary
13 for individuals to participate in welfare-to-work activities. This
14 section shall not be construed to limit a welfare-to-work
15 participant's access to mental health or substance abuse treatment
16 services that would otherwise be available under Section 11325.7
17 or 11325.8, to the extent the participant is not provided good cause
18 or determined to be exempt from welfare-to-work requirements.

19 (b) This section shall become inoperative on July 1, 2014, and,
20 as of January 1, 2015, is repealed, unless a later enacted statute,
21 which becomes effective on or before January 1, 2015, deletes or
22 extends that date on which it becomes inoperative and is repealed.

23 SEC. 21. Section 11329.5 of the Welfare and Institutions Code
24 is amended to read:

25 11329.5. With respect to paragraph (7) of subdivision (b) of
26 Section 11320.3 and Section 11325.71, the Legislature finds and
27 declares all of the following, but only for the operative period of
28 these added provisions:

29 (a) Due to the significant General Fund revenue decline for the
30 2009–10 fiscal year, funding has been reduced for the CalWORKs
31 program.

32 (b) Due to the federal funding available under the American
33 Recovery and Reinvestment Act of 2009 (Public Law 111-5)
34 (ARRA) for CalWORKs grants, reductions in 2009–10 are being
35 achieved in the county single allocation.

36 (c) Reduced funding, including a
37 three-hundred-seventy-five-million-dollar (\$375,000,000) reduction
38 to the county single allocation in the 2009–10 and 2010–11 Budget
39 Acts, and increased caseload for CalWORKs will result in

1 insufficient resources to provide the full range of welfare-to-work
2 services in the 2009–10 and 2010–11 fiscal years.

3 (d) Reduced funding, including a three hundred seventy-six
4 million eight hundred fifty thousand dollar (\$376,850,000)
5 reduction to the county single allocation in the 2011–12 Budget
6 Act, will result in insufficient resources to provide the full range
7 of welfare-to-work services in the 2011–12 fiscal year.

8 (e) Reduced funding, including a reduction to the county single
9 allocation, for the period between July 1, 2012, until January 1,
10 2015, will result in insufficient resources to provide the full range
11 of welfare-to-work services during that time period.

12 (f) It is the intent of the Legislature that the limited resources
13 for CalWORKs services be effectively utilized, as established in
14 paragraph (7) of subdivision (b) of Section 11320.3.

15 (g) It is the further intent of the Legislature to provide additional
16 flexibility to address funding constraints, as established in Section
17 11325.71, in addition to the existing flexibility provided under
18 subdivision (f) of Section 11320.3.

19 (h) It is the further intent of the Legislature to minimize
20 disruption of welfare-to-work services for individuals already
21 participating, and prioritize exemptions and good cause for
22 applicants.

23 (i) Funding and caseload factors will result in circumstances
24 beyond the control of the counties in the 2009–10, 2010–11, and
25 2011–12 fiscal years, and relief should be provided for federal
26 penalties that may result.

28 Institutions Code, to read:

29 11334.6. (a) The department shall provide to the budget

8 operative in accordance with the provisions described in
9 subdivision (b).

10 (b) Commencing July 1, 2012, until March 31, 2013, all of the
11 following shall apply:

12 (1) For the 2012–13 fiscal year, counties shall be provided with
13 full or partial year funding, depending on the pace of their phase-in
14 to full implementation of the program by April 1, 2013, as
15 determined by the department, in collaboration with county welfare
16 directors.

17 (2) Recipients of aid, as defined in Section 11331.5, shall be
18 required to participate in Cal-Learn Program intensive case
19 management services, as defined in subdivision (a) of Section
20 11332.5, only in counties where those services are available.

21 (3) A pregnant woman with no other children who was
22 determined to be eligible for aid in the first or second trimester of
23 her pregnancy for purposes of participating in the Cal-Learn
24 Program prior to July 1, 2011, shall be eligible to receive aid upon
25 verification of pregnancy as long as she remains otherwise eligible
26 for aid under this chapter.

27 (c) Each recipient who qualifies for benefits under this article
28 shall be entitled to benefits to the degree that they are provided by
29 the recipient's county.

30 (d) This section shall remain in effect only until April 1, 2013,
31 and as of that date is repealed, unless a later enacted statute, that
32 is enacted before April 1, 2013, deletes or extends that date.

34 as added by Section 20 of Chapter 501 of the Statutes of 2011, is

19 SEC. 29. Section 11462.04 of the Welfare and Institutions
20 Code is amended to read:

21 11462.04. (a) Notwithstanding any other law, no new group

24 for any of the following:

25 (1) A new program.

26 (2) A new provider.

27 (3) A program change, such as a rate classification level (RCL)
28 increase.

29 (4) A program capacity increase.

35 (c) For the 2012–13 fiscal year, notwithstanding subdivision
36 (b), for any program below RCL 10, the only exception that may

38 with a program change, such as an RCL increase. The other
39 exceptions shall not be available to programs below RCL 10 during
40 this period.

1 SEC. 30. Section 11464 of the Welfare and Institutions Code
2 is amended to read:

3 11464. (a) The Legislature finds and declares all of the
4 following:

5 (1) Children who are consumers of regional center services and
6 also receiving Aid to Families with Dependent Children-Foster
7 Care (AFDC-FC), Kinship Guardianship Assistance Payment
8 (Kin-GAP) benefits, or Adoption Assistance Program (AAP)
9 benefits have special needs that can require care and supervision
10 beyond that typically provided to children in foster care. Clarifying
11 the roles of the child welfare and developmental disabilities
12 services systems will ensure that these children receive the services
13 and support they need in a timely manner and encourage the
14 successful adoption of these children, where appropriate.

15 (2) To address the extraordinary care and supervision needs of
16 children who are consumers of regional center services and also
17 receiving AFDC-FC, Kin-GAP, or AAP benefits, it is necessary
18 to provide a rate for care and supervision of these children that is
19 higher than the average rate they would otherwise receive through
20 the foster care system and higher than the rate other children with
21 medical and other significant special needs receive.

22 (3) Despite the enhanced rate provided in this section, some
23 children who are consumers of regional center services and also
24 receiving AFDC-FC, Kin-GAP, or AAP benefits may have care
25 and supervision needs that are so extraordinary that they cannot
26 be addressed within that rate. In these limited circumstances, a
27 process should be established whereby a supplement may be
28 provided in addition to the enhanced rate.

29 (4) Children who receive rates pursuant to this section shall be
30 afforded the same due process rights as all children who apply for
31 AFDC-FC, Kin-GAP, and AAP benefits pursuant to Section 10950.

32 (b) Rates for children who are both regional center consumers
33 and recipients of AFDC-FC or Kin-GAP benefits under this chapter
34 shall be determined as provided in Section 4684 and this section.

35 (c) (1) The rate to be paid for 24-hour out-of-home care and
36 supervision provided to children who are both consumers of
37 regional center services pursuant to subdivision (d) of Section
38 4512 and recipients of AFDC-FC and Kin-GAP benefits under
39 this chapter shall be two thousand six dollars (\$2,006) per child
40 per month.

(2) (A) The county, at its sole discretion, may authorize a supplement of up to one thousand dollars (\$1,000) to the rate for children three years of age and older, if it determines the child has the need for extraordinary care and supervision that cannot be met within the rate established pursuant to paragraph (1). The State Department of Social Services and the State Department of Developmental Services, in consultation with stakeholders representing county child welfare agencies, regional centers, and children who are both consumers of regional center services and recipients of AFDC-FC, Kin-GAP, or AAP benefits, shall develop objective criteria to be used by counties in determining eligibility for and the level of the supplements provided pursuant to this paragraph. The State Department of Social Services shall issue an all-county letter to implement these criteria within 120 days of the effective date of this act. The criteria shall take into account the extent to which the child has any of the following:

- (i) Severe impairment in physical coordination and mobility.
- (ii) Severe deficits in self-help skills.
- (iii) Severely disruptive or self-injurious behavior.
- (iv) A severe medical condition.

(B) The caregiver may request the supplement described in subparagraph (A) directly or upon referral by a regional center. Referral by a regional center shall not create the presumption of eligibility for the supplement.

(C) When assessing a request for the supplement, the county shall seek information from the consumer's regional center to assist in the assessment. The county shall issue a determination of eligibility for the supplement within 90 days of receipt of the request. The county shall report to the State Department of Social Services the number and level of rate supplements issued pursuant to this paragraph.

(d) (1) The rate to be paid for 24-hour out-of-home care and supervision provided for children who are receiving services under the California Early Start Intervention Services Act, are not yet determined by their regional center to have a developmental disability, as defined in subdivisions (a) and (l) of Section 4512, and are receiving AFDC-FC or Kin-GAP benefits under this chapter, shall be eight hundred ninety-eight dollars (\$898) per child per month. If a regional center subsequently determines that the child is an individual with a developmental disability as that

1 term is defined by subdivisions (a) and (l) of Section 4512, the
2 rate to be paid from the date of that determination shall be
3 consistent with subdivision (c).

4 (2) The rates to be paid for 24-hour out-of-home nonmedical
5 care and supervision for children who are recipients of AFDC-FC
6 or Kin-GAP and consumers of regional center services from a
7 community care facility licensed pursuant to Chapter 3
8 (commencing with Section 1500) of Division 2 of the Health and
9 Safety Code and vendored by a regional center pursuant to Section
10 56004 of Title 17 of the California Code of Regulations, shall be
11 the facility rate established by the State Department of
12 Developmental Services.

13 (e) Rates paid pursuant to this section are subject to all of the
14 following requirements:

15 (1) The rates paid to the foster care provider under subdivision
16 (c) and paragraph (1) of subdivision (d) are only for the care and
17 supervision of the child, as defined in subdivision (b) of Section
18 11460 and shall not be applicable to facilities described in
19 paragraph (2) of subdivision (d).

20 (2) Regional centers shall separately purchase or secure the
21 services that are contained in the child's Individualized Family
22 Service Plan (IFSP) or Individual Program Plan (IPP), pursuant
23 to Section 4684.

24 (3) Beginning with the 2011–12 fiscal year, the rates in
25 paragraph (1) of subdivision (c) and paragraph (1) of subdivision
26 (d) shall be adjusted annually by the percentage change in the
27 California Necessities Index, as set forth in paragraph (2) of
28 subdivision (g) of Section 11461. No county shall be reimbursed
29 for any increase in this rate that exceeds the adjustments made in
30 accordance with this methodology.

31 (f) (1) The AFDC-FC rates paid on behalf of a regional center
32 consumer who is a recipient of AFDC-FC prior to July 1, 2007,
33 shall remain in effect unless a change in the placement warrants
34 redetermination of the rate or if the child is no longer AFDC-FC
35 eligible. However, AFDC-FC rates paid on behalf of these children
36 that are lower than the rates specified in paragraph (1) of
37 subdivision (c) or paragraph (1) of subdivision (d), respectively,
38 shall be increased as appropriate to the amount set forth in
39 paragraph (1) of subdivision (c) or paragraph (1) of subdivision
40 (d), effective July 1, 2007, and shall remain in effect unless a

1 change in the placement or a change in AFDC-FC eligibility of
2 the child warrants redetermination of the rate.

3 (2) For a child who is receiving AFDC-FC benefits or for whom
4 a foster care eligibility determination is pending, and for whom
5 an eligibility determination for regional center services pursuant
6 to subdivision (a) of Section 4512 is pending or approved, and for
7 whom, prior to July 1, 2007, a State Department of Developmental
8 Services facility rate determination request has been made and is
9 pending, the rate shall be the State Department of Developmental
10 Services facility rate determined by the regional center through an
11 individualized assessment, or the rate established in paragraph (1)
12 of subdivision (c), whichever is greater. The rate shall remain in
13 effect until the child is no longer eligible to receive AFDC-FC, or,
14 if still AFDC-FC eligible, is found ineligible for regional center
15 services as an individual described in subdivision (a) of Section
16 4512. Other than the circumstances described in this section,
17 regional centers shall not establish facility rates for AFDC-FC
18 purposes.

19 (g) (1) The department shall adopt emergency regulations in
20 accordance with Chapter 3.5 (commencing with Section 11340)
21 of Part 1 of Division 3 of Title 2 of the Government Code, and for
22 the purposes of that chapter, including Section 11349.6 of the
23 Government Code, on or before July 1, 2009.

24 (2) The adoption of regulations pursuant to paragraph (1) shall
25 be deemed an emergency and necessary for the immediate
26 preservation of the public peace, health, safety, and general welfare.
27 The regulations authorized by this subdivision shall remain in
28 effect for no more than 180 days, by which time final regulations
29 shall be adopted.

30 (h) (1) The State Department of Social Services and the State
31 Department of Developmental Services shall provide to the Joint
32 legislative Budget Committee, on a semiannual basis, the data set
33 forth in paragraph (2) to facilitate legislative review of the
34 outcomes of the changes made by the addition of this section and
35 the amendments made to Sections 4684 and 16121 by the act
36 adding this section. The first report shall be submitted on October
37 1, 2007, with subsequent reports submitted on March 1 and October
38 1 of each year.

39 (2) The following data shall be provided pursuant to this
40 subdivision:

1 (A) The number of, and services provided to, children who are
2 consumers of regional center services and who are receiving AAP,
3 Kin-GAP, or AFDC-FC, broken out by children receiving the
4 amount pursuant to paragraph (1) of subdivision (c), the amount
5 pursuant to paragraph (1) of subdivision (d), and the level of
6 supplement pursuant to subparagraph (A) of paragraph (2) of
7 subdivision (c).

8 (B) A comparison of services provided to these children and
9 similar children who are regional center consumers who do not
10 receive AFDC-FC, Kin-GAP, or AAP benefits, broken out by
11 children receiving the amount pursuant to paragraph (1) of
12 subdivision (c), the amount pursuant to paragraph (1) of subdivision
13 (d), and the level of supplement pursuant to subparagraph (A) of
14 paragraph (2) of subdivision (c).

15 (C) The number and nature of appeals filed regarding services
16 provided or secured by regional centers for these children,
17 consistent with Section 4714, broken out by children receiving the
18 amount pursuant to paragraph (1) of subdivision (c), the amount
19 pursuant to paragraph (1) of subdivision (d), and the level of
20 supplement pursuant to subparagraph (A) of paragraph (2) of
21 subdivision (c).

22 (D) The number of these children who are adopted before and
23 after the act adding this section, broken out by children receiving
24 the amount pursuant to paragraph (1) of subdivision (c), the amount
25 pursuant to paragraph (1) of subdivision (d), and the level of
26 supplement pursuant to subparagraph (A) of paragraph (2) of
27 subdivision (c).

28 (E) The number and levels of supplements requested pursuant
29 to subparagraph (B) of paragraph (2) of subdivision (c).

30 (F) The number of appeals requested of the decision by counties
31 to deny the request for the supplement pursuant to subparagraph
32 (A) of paragraph (2) of subdivision (c).

33 (G) The total number and levels of supplements authorized
34 pursuant to subparagraph (A) of paragraph (2) of subdivision (c)
35 and the number of these supplements authorized upon appeal.

36 (i) Commencing January 1, 2012, the rate described in
37 subdivision (c) shall be paid for an eligible nonminor dependent
38 who is under 21 years of age, is receiving AFDC-FC or Kin-GAP
39 benefits pursuant to Section 11403, and is a consumer of regional
40 center services.

1 SEC. 31. Section 11487 of the Welfare and Institutions Code
2 is amended to read:

3 11487. (a) Whenever any aid under this chapter is repaid to
4 the state by means of child support collections, the state shall be
5 entitled to the amount received or recovered, except to the extent
6 that county and federal funds were expended. If funds advanced
7 by the federal government were paid, the federal government shall
8 be entitled to a share of the amount received or recovered,
9 proportionate to the amount of federal funds paid. Except as
10 provided in subdivision (b), if funds were paid by a county, the
11 county shall be entitled to a share of the amount received or
12 recovered, proportionate to the amount of county funds paid.

13 (b) For the 2011–12 and 2012–13 fiscal years, the county share
14 of funds received or recovered pursuant to subdivision (a) shall
15 instead be suspended and these funds shall be retained by the state.

16 SEC. 32. Section 12301.03 of the Welfare and Institutions
17 Code is repealed.

18 SEC. 33. Section 12301.05 of the Welfare and Institutions
19 Code is repealed.

20 SEC. 34. Section 12301.06 of the Welfare and Institutions
21 Code is amended to read:

22 12301.06. (a) (1) Notwithstanding any other provision of law,
23 except as provided in subdivision (d), the department shall
24 implement a 3.6-percent reduction in hours of service to each
25 recipient of services under this article, which shall be applied to
26 the recipient's hours as authorized pursuant to the most recent
27 assessment. This reduction shall be effective 90 days after the
28 enactment of the act that adds this section. The reduction required
29 by this section shall not preclude any reassessment to which a
30 recipient would otherwise be entitled. However, hours authorized
31 pursuant to a reassessment shall be subject to the 3.6-percent
32 reduction required by this section.

33 (2) A recipient of services under this article may direct the
34 manner in which the reduction of hours is applied to the recipient's
35 previously authorized services.

36 (3) For those individuals who have a documented unmet need,
37 excluding protective supervision because of the limitations on
38 authorized hours under Section 12303.4, the reduction shall be
39 taken first from the documented unmet need.

1 (b) (1) The reduction in hours of service pursuant to subdivision
2 (a) shall cease to be implemented on July 1, 2013.

3 (2) It is the intent of the Legislature that on July 1, 2013, services
4 shall be restored to the level authorized pursuant to the recipient's
5 most recent assessment, and increased by the previously deducted
6 3.6 percent.

7 (c) The notice of action informing the recipient of the reduction
8 pursuant to subdivision (a) shall be mailed at least 30 days prior
9 to the reduction going into effect. The notice of action shall be
10 understandable to the recipient and translated into all languages
11 spoken by a substantial number of the public served by the
12 In-Home Supportive Services program, in accordance with Section
13 7295.2 of the Government Code. The notice shall not contain any
14 recipient financial or confidential identifying information other
15 than the recipient's name, address, and Case Management
16 Information and Payroll System (CMIPS) client identification
17 number, and shall include, but not be limited to, all of the following
18 information:

19 (1) The aggregate number of authorized hours before the
20 reduction pursuant to subdivision (a) and the aggregate number of
21 authorized hours after the reduction.

22 (2) That the recipient may direct the manner in which the
23 reduction of authorized hours is applied to the recipient's
24 previously authorized services.

25 (3) That the reduction of hours shall remain in effect until July
26 1, 2013, at which time service hours shall be restored to the
27 recipient's authorized level, based on the most recent assessment,
28 and increased by the previously deducted 3.6 percent.

29 (d) A recipient shall have all appeal rights otherwise provided
30 for under Chapter 7 (commencing with Section 10950) of Part 2.

31 (e) (1) Notwithstanding the rulemaking provisions of the
32 Administrative Procedure Act (Chapter 3.5 (commencing with
33 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
34 Code), the department may implement and administer this section
35 through all-county letters or similar instructions from the
36 department.

37 (f) This section shall become inoperative on July 1, 2013, and,
38 as of January 1, 2014, is repealed, unless a later enacted statute
39 that is enacted before January 1, 2014, deletes or extends the dates
40 on which it becomes inoperative and is repealed.

1 SEC. 35. Section 12305.87 of the Welfare and Institutions
2 Code is amended to read:

3 12305.87. (a) (1) Commencing 90 days following the effective
4 date of the act that adds this section, a person specified in paragraph
5 (2) shall be subject to the criminal conviction exclusions provided
6 for in this section, in addition to the exclusions required under
7 Section 12305.81.

8 (2) This section shall apply to a person who satisfies either of
9 the following conditions:

10 (A) He or she is a new applicant to provide services under this
11 article.

12 (B) He or she is an applicant to provide services under this
13 article whose application has been denied on the basis of a
14 conviction and for whom an appeal of that denial is pending.

15 (b) Subject to subdivisions (c), (d), and (e), an applicant subject
16 to this section shall not be eligible to provide or receive payment
17 for providing supportive services for 10 years following a
18 conviction for, or incarceration following a conviction for, any of
19 the following:

20 (1) A violent or serious felony, as specified in subdivision (c)
21 of Section 667.5 of the Penal Code and subdivision (c) of Section
22 1192.7 of the Penal Code.

23 (2) A felony offense for which a person is required to register
24 under subdivision (c) of Section 290 of the Penal Code. For
25 purposes of this paragraph, the 10-year time period specified in
26 this section shall commence with the date of conviction for, or
27 incarceration following a conviction for, the underlying offense,
28 and not the date of registration.

29 (3) A felony offense described in paragraph (2) of subdivision
30 (c) or paragraph (2) of subdivision (g) of Section 10980.

31 (c) Notwithstanding subdivision (b), an application shall not be
32 denied under this section if the applicant has obtained a certificate
33 of rehabilitation under Chapter 3.5 (commencing with Section
34 4852.01) of Title 6 of Part 3 of the Penal Code or if the information
35 or accusation against him or her has been dismissed pursuant to
36 Section 1203.4 of the Penal Code.

37 (d) (1) Notwithstanding subdivision (b), a recipient of services
38 under this article who wishes to employ a provider applicant who
39 has been convicted of an offense specified in subdivision (b) may
40 submit to the county an individual waiver of the exclusion provided

1 for in this section. This paragraph shall not be construed to allow
2 a recipient to submit an individual waiver with respect to a
3 conviction or convictions for offenses specified in Section
4 12305.81.

5 (2) The county shall notify a recipient who wishes to hire a
6 person who is applying to be a provider and who has been
7 convicted of an offense subject to exclusion under this section of
8 that applicant's relevant criminal offense convictions that are
9 covered by subdivision (b). The notice shall include both of the
10 following:

11 (A) A summary explanation of the exclusions created by
12 subdivision (b), as well as the applicable waiver process described
13 in this subdivision and the process for an applicant to seek a general
14 exception, as described in subdivision (e). This summary
15 explanation shall be developed by the department for use by all
16 counties.

17 (B) An individual waiver form, which shall also be developed
18 by the department and used by all counties. The waiver form shall
19 include both of the following:

20 (i) A space for the county to include a reference to any Penal
21 Code sections and corresponding offense names or descriptions
22 that describe the relevant conviction or convictions that are covered
23 by subdivision (b) and that the provider applicant has in his or her
24 background.

25 (ii) A statement that the service recipient, or his or her authorized
26 representative, if applicable, is aware of the applicant's conviction
27 or convictions and agrees to waive application of this section and
28 employ the applicant as a provider of services under this article.

29 (3) To ensure that the initial summary explanation referenced
30 in this subdivision is comprehensible for recipients and provider
31 applicants, the department shall consult with representatives of
32 county welfare departments and advocates for, or representatives
33 of, recipients and providers in developing the summary explanation
34 and offense descriptions.

35 (4) The individual waiver form shall be signed by the recipient,
36 or by the recipient's authorized representative, if applicable, and
37 returned to the county welfare department by mail or in person.
38 Except for a parent, guardian, or person having legal custody of a
39 minor recipient, a conservator of an adult recipient, or a spouse or
40 registered domestic partner of a recipient, a provider applicant

1 shall not sign his or her own individual waiver form as the
2 recipient's authorized representative. The county shall retain the
3 waiver form and a copy of the provider applicant's criminal offense
4 record information search response until the date that the
5 convictions that are the subject of the waiver request are no longer
6 within the 10-year period specified in subdivision (b).

7 (5) An individual waiver submitted pursuant to this subdivision
8 shall entitle a recipient to hire a provider applicant who otherwise
9 meets all applicable enrollment requirements for the In-Home
10 Supportive Services program. A provider hired pursuant to an
11 individual waiver may be employed only by the recipient who
12 requested that waiver, and the waiver shall only be valid with
13 respect to convictions that are specified in that waiver. A new
14 waiver shall be required if the provider is subsequently convicted
15 of an offense to which this section otherwise would apply. A
16 provider who wishes to be listed on a provider registry or to provide
17 supportive services to a recipient who has not requested an
18 individual waiver shall be required to apply for a general exception,
19 as provided for in subdivision (e).

20 (6) Nothing in this section shall preclude a provider who is
21 eligible to receive payment for services provided pursuant to an
22 individual waiver under this subdivision from being eligible to
23 receive payment for services provided to one or more additional
24 recipients who obtain waivers pursuant to this same subdivision.

25 (7) The state and a county shall be immune from any liability
26 resulting from granting an individual waiver under this subdivision.

27 (e) (1) Notwithstanding subdivision (b), an applicant who has
28 been convicted of an offense identified in subdivision (b) may seek
29 from the department a general exception to the exclusion provided
30 for in this section.

31 (2) Upon receipt of a general exception request, the department
32 shall request a copy of the applicant's criminal offender record
33 information search response from the applicable county welfare
34 department, public authority, or nonprofit consortium.
35 Notwithstanding any other provision of law, the county, public
36 authority, or nonprofit consortium shall provide a copy of the
37 criminal offender record information search response, as provided
38 to the county, public authority, or nonprofit consortium by the
39 Department of Justice, to the department. The county, public
40 authority, or nonprofit consortium shall provide this information

1 in a manner that protects the confidentiality and privacy of the
2 criminal offender record information search response. The state
3 or federal criminal history record information search response shall
4 not be modified or altered from its form or content as provided by
5 the Department of Justice.

6 (3) The department shall consider the following factors when
7 determining whether to grant a general exception under this
8 subdivision:

9 (A) The nature and seriousness of the conduct or crime under
10 consideration and its relationship to employment duties and
11 responsibilities.

12 (B) The person's activities since conviction, including, but not
13 limited to, employment or participation in therapy education, or
14 community service, that would indicate changed behavior.

15 (C) The number of convictions and the time that has elapsed
16 since the conviction or convictions.

17 (D) The extent to which the person has complied with any terms
18 of parole, probation, restitution, or any other sanction lawfully
19 imposed against the person.

20 (E) Any evidence of rehabilitation, including character
21 references, submitted by the person, or by others on the person's
22 behalf.

23 (F) Employment history and current or former employer
24 recommendations. Additional consideration shall be given to
25 employer recommendations provided by a person who has received
26 or has indicated a desire to receive supportive or personal care
27 services from the applicant, including, but not limited to, those
28 services, specified in Section 12300.

29 (G) Circumstances surrounding the commission of the offense
30 that would demonstrate the unlikelihood of repetition.

31 (H) The granting by the Governor of a full and unconditional
32 pardon.

33 (f) If the department makes a determination to deny an
34 application to provide services pursuant to a request for a general
35 exception, the department shall notify the applicant of this
36 determination by either personal service or registered mail. The
37 notice shall include the following information:

38 (1) A statement of the department's reasons for the denial that
39 evaluates evidence of rehabilitation submitted by the applicant, if

1 any, and that specifically addresses any evidence submitted relating
2 to the factors in paragraph (3) of subdivision (e).

3 (2) A copy of the applicant's criminal offender record
4 information search response, even if the applicant already has
5 received a copy pursuant to Section 12301.6 or 12305.86. The
6 department shall provide this information in a manner that protects
7 the confidentiality and privacy of the criminal offender record
8 information search response.

9 (A) The state or federal criminal history record shall not be
10 modified or altered from its form or content as provided by the
11 Department of Justice.

12 (B) The department shall retain a copy of each individual's
13 criminal offender record information search response until the date
14 that the convictions that are the subject of the exception are no
15 longer within the 10-year period specified in subdivision (b), and
16 shall record the date the copy of the response was provided to the
17 individual and the department.

18 (C) The criminal offender record information search response
19 shall not be made available by the department to any individual
20 other than the provider applicant.

21 (g) (1) Upon written notification that the department has
22 determined that a request for exception shall be denied, the
23 applicant may request an administrative hearing by submitting a
24 written request to the department within 15 business days of receipt
25 of the written notification. Upon receipt of a written request, the
26 department shall hold an administrative hearing consistent with
27 the procedures specified in Section 100171 of the Health and Safety
28 Code, except where those procedures are inconsistent with this
29 section.

30 (2) A hearing under this subdivision shall be conducted by a
31 hearing officer or administrative law judge designated by the
32 director. A written decision shall be sent by certified mail to the
33 applicant.

34 (h) The department shall revise the provider enrollment form
35 developed pursuant to Section 12305.81 to include both of the
36 following:

37 (1) The text of subdivision (c) of Section 290 of the Penal Code,
38 subdivision (c) of Section 667.5 of the Penal Code, subdivision
39 (c) of Section 1192.7 of the Penal Code, and paragraph (2) of
40 subdivisions (c) and (g) of Section 10980.

1 (2) A statement that the provider understands that if he or she
2 has been convicted, or incarcerated following conviction for, any
3 of the crimes specified in the provisions identified in paragraph
4 (b) in the last 10 years, and has not received a certificate of
5 rehabilitation or had the information or accusation dismissed, as
6 provided in subdivision (c), he or she shall only be authorized to
7 receive payment for providing in-home supportive services under
8 an individual waiver or general exception as described in this
9 section, and upon meeting all other applicable criteria for
10 enrollment as a provider in the program.

11 (i) (1) Notwithstanding the rulemaking provisions of the
12 Administrative Procedure Act (Chapter 3.5 (commencing with
13 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
14 Code), the department may implement and administer this section
15 through all-county letters or similar instructions from the
16 department until regulations are adopted. The department shall
17 adopt emergency regulations implementing these provisions no
18 later than July 1, 2011. The department may readopt any emergency
19 regulation authorized by this section that is the same as or
20 substantially equivalent to an emergency regulation previously
21 adopted under this section.

22 (2) The initial adoption of emergency regulations pursuant to
23 this section and one readoption of emergency regulations shall be
24 deemed an emergency and necessary for the immediate
25 preservation of the public peace, health, safety, or general welfare.
26 Initial emergency regulations and the one readoption of emergency
27 regulations authorized by this section shall be exempt from review
28 by the Office of Administrative Law. The initial emergency
29 regulations and the one readoption of emergency regulations
30 authorized by this section shall be submitted to the Office of
31 Administrative Law for filing with the Secretary of State and each
32 shall remain in effect for no more than 180 days, by which time
33 final regulations may be adopted.

34 (j) In developing the individual waiver form and all-county
35 letters or information notices or similar instructions, the department
36 shall consult with stakeholders, including, but not limited to,
37 representatives of the county welfare departments, and
38 representatives of consumers and providers. The consultation shall
39 include at least one in-person meeting prior to the finalization of

1 the individual waiver form and all-county letters or information
2 notices or similar instructions.

3 SEC. 36. Section 12306.6 of the Welfare and Institutions Code
4 is amended to read:

5 12306.6. (a) (1) Notwithstanding any other provision of law,
6 beginning on the date for which the federal Centers for Medicare
7 and Medicaid Services authorizes commencement of the
8 implementation of this section, but no earlier than January 1, 2012,
9 and concurrent with the collection of the sales tax extended to
10 support services pursuant to Article 4 (commencing with Section
11 6150) of Chapter 2 of Part 1 of Division 2 of the Revenue and
12 Taxation Code, a provider of in-home supportive services shall
13 receive a supplementary payment under this article equal to a
14 percentage, as set forth in paragraph (2), of the gross receipts, as
15 defined in subdivision (b) of Section 6150 of the Revenue and
16 Taxation Code, of the provider for the sale of in-home supportive
17 services, plus an amount described in paragraph (3) if applicable.
18 If the underlying payment for in-home supportive services that is
19 being supplemented is a Medi-Cal payment, then the supplementary
20 payment shall also be a Medi-Cal payment. Supplementary
21 payments shall be made only to those providers from whom the
22 tax imposed pursuant to Section 6151 of the Revenue and Taxation
23 Code has been collected.

24 (2) The percentage applicable to the supplementary payment
25 required by paragraph (1) shall equal the rate described in
26 subdivision (b) of Section 6151 of the Revenue and Taxation Code
27 and shall only be applied to services provided under this article,
28 including personal care option services reimbursable under the
29 Medi-Cal program.

30 (3) The supplementary payment of an individual provider whose
31 payroll withholding required for federal income tax purposes and
32 for purposes of taxation for the Social Security and Medicare
33 programs is increased due to the supplementary payment, in
34 comparison to the amounts for those purposes that would be
35 withheld without the supplementary payment, shall be increased
36 by an additional amount that is equal to the amount of this
37 additional federal withholding.

38 (b) (1) All revenues deposited in the Personal Care IHSS
39 Quality Assurance Revenue Fund established pursuant to Section
40 6168 of the Revenue and Taxation Code shall be used solely for

1 purposes of the In-Home Supportive Services program, including,
2 but not limited to, those services provided under the Medi-Cal
3 program. All supplementary payments required by this section
4 shall be paid from the Personal Care IHSS Quality Assurance
5 Revenue Fund.

6 (2) The Director of Finance shall determine the sum required
7 to be deposited in the Personal Care IHSS Quality Assurance
8 Revenue Fund to fund the initial supplementary payments from
9 the fund. As soon thereafter as reasonably possible, this sum shall
10 be transferred, in the form of a loan, from the General Fund to the
11 Personal Care IHSS Quality Assurance Revenue Fund. At the time
12 sufficient revenues have been deposited in the Personal Care IHSS
13 Quality Assurance Revenue Fund pursuant to Section 6168 of the
14 Revenue and Taxation Code to sustain the continued operation of
15 the fund for that portion of the supplementary payment described
16 in paragraph (2) of subdivision (a) plus an additional amount equal
17 to the General Fund loan made pursuant to this paragraph, plus
18 interest, the sum transferred from the General Fund, including
19 interest, shall be repaid to the General Fund. Subsequent
20 supplementary payments pursuant to this section shall be made
21 from revenue deposited in the Personal Care IHSS Quality
22 Assurance Revenue Fund pursuant to Section 6168 of the Revenue
23 and Taxation Code.

24 (3) The Department of Finance, on an ongoing basis, shall
25 determine the amount necessary to implement paragraph (3) of
26 subdivision (a), and subdivision (c) of Section 12302.2, and
27 immediately transfer this amount from the General Fund to the
28 Personal Care IHSS Quality Assurance Revenue Fund.

29 (c) (1) The Director of Health Care Services shall seek all
30 federal Medicaid approvals necessary to implement this section,
31 including using the revenues obtained pursuant to Article 4
32 (commencing with Section 6150) of Chapter 2 of Part 1 of Division
33 2 of the Revenue and Taxation Code as the nonfederal share for
34 supplementary payments. As part of that request for approval, the
35 director shall seek to make the supplementary payments effective
36 as of January 1, 2012.

37 (2) This section shall become operative only if the federal
38 Centers for Medicare and Medicaid Services grants Medicaid
39 approvals sought pursuant to paragraph (1).

1 (3) If Medicaid approval is granted pursuant to paragraph (2),
2 within 10 days of that approval the Director of Health Care
3 Services shall notify the State Board of Equalization and the
4 appropriate fiscal and policy committees of the Legislature of the
5 approval.

6 (d) If Article 4 (commencing with Section 6150) of Chapter 2
7 of Part 1 of Division 2 of the Revenue and Taxation Code becomes
8 inoperative pursuant to subdivision (b) of Section 6170 of the
9 Revenue and Taxation Code, supplementary payments shall cease
10 to be made pursuant to subdivision (a) when all moneys in the
11 fund have been expended.

12 (e) (1) Notwithstanding the rulemaking provisions of the
13 Administrative Procedure Act, Chapter 3.5 (commencing with
14 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
15 Code, the department and the State Department of Health Care
16 Services may implement and administer this section through
17 all-county letters or similar instruction from the department and
18 the State Department of Health Care Services until regulations are
19 adopted. The department and the State Department of Health Care
20 Services shall adopt emergency regulations implementing this
21 section no later than 12 months following the initial effective date
22 of the supplementary payments. The department and the State
23 Department of Health Care Services may readopt any emergency
24 regulation authorized by this section that is the same as or
25 substantially equivalent to an emergency regulation previously
26 adopted under this section.

27 (2) The initial adoption of emergency regulations implementing
28 this section and the one readoption of emergency regulations
29 authorized by this subdivision shall be deemed an emergency and
30 necessary for the immediate preservation of the public peace,
31 health, safety, or general welfare. Initial emergency regulations
32 and the one readoption of emergency regulations authorized by
33 this section shall be exempt from review and approval by the Office
34 of Administrative Law. The initial emergency regulations and the
35 one readoption of emergency regulations authorized by this section
36 shall be submitted to the Office of Administrative Law for filing
37 with the Secretary of State and each shall remain in effect for no
38 more than 180 days, by which time final regulations may be
39 adopted.

1 (f) This section shall remain in effect only until the January 1
2 following the date supplementary payments cease to be made
3 pursuant to subdivision (d), and as of that date is repealed.

4 SEC. 37. Section 14124.93 of the Welfare and Institutions
5 Code is amended to read:

6 14124.93. (a) The Department of Child Support Services shall
7 provide payments to the local child support agency of fifty dollars
8 (\$50) per case for obtaining third-party health coverage or
9 insurance of beneficiaries, to the extent that funds are appropriated
10 in the annual Budget Act.

11 (b) A county shall be eligible for a payment if the county obtains
12 third-party health coverage or insurance for applicants or recipients
13 of Title IV-D services not previously covered, or for whom
14 coverage has lapsed, and the county provides all required
15 information on a form approved by both the Department of Child
16 Support Services and the State Department of Health Care Services.

17 (c) Payments to the local child support agency under this section
18 shall be suspended for the 2003–04, 2004–05, 2005–06, 2006–07,
19 2007–08, 2008–09, 2009–10, 2010–11, 2011–12, 2012–13,
20 2013–14, and 2014–15 fiscal years.

21 SEC. 38. Section 14132.957 of the Welfare and Institutions
22 Code is repealed.

23 SEC. 39. Section 15525 of the Welfare and Institutions Code
24 is amended to read:

25 15525. (a) The State Department of Social Services shall
26 establish a Work Incentive Nutritional Supplement (WINS)
27 program pursuant to this section.

28 (b) Under the WINS program established pursuant to subdivision
29 (a), each county shall provide a ten-dollar (\$10) per month
30 additional food assistance benefit for each eligible CalFresh
31 household, as defined in subdivision (d).

32 (c) The state shall pay to the counties 100 percent of the cost
33 of WINS benefits, using funds that qualify for the state's
34 maintenance of effort requirements under Section 609(a)(7)(B)(i)
35 of Title 42 of the United States Code.

36 (d) For purposes of this section, an “eligible CalFresh
37 household” is a household that meets all of the following criteria:

38 (1) Receives benefits pursuant to Chapter 10 (commencing with
39 Section 18900) of Part 6.

1 (2) Has no household member receiving CalWORKs benefits
2 pursuant to Chapter 2 (commencing with Section 11200).

3 (3) Contains at least one child under 18 years of age, unless the
4 household contains a child who meets the requirements of Section
5 11253.

6 (4) Has at least one parent or caretaker relative determined to
7 be “work eligible” as defined in Section 261.2(n) of Title 45 of
8 the Code of Federal Regulations and Section 607 of Title 42 of
9 the United States Code.

10 (5) Meets the federal work participation hours requirement set
11 forth in Section 607 of Title 42 of the United States Code for
12 subsidized or unsubsidized employment, and provides
13 documentation that the household has met the federal work
14 requirements.

15 (e) (1) In accordance with federal law, federal Supplemental
16 Nutrition Assistance Program benefits administered in California
17 as CalFresh (Chapter 10 (commencing with Section 18900) of Part
18 6), federal supplemental security income benefits, state
19 supplemental security program benefits, public social services, as
20 defined in Section 10051, and county aid benefits (Part 5
21 (commencing with Section 17000)), shall not be reduced as a
22 consequence of the receipt of the WINS benefit paid under this
23 chapter.

24 (2) Benefits paid under this chapter shall not count toward the
25 federal 60-month time limit on aid as set forth in Section
26 608(a)(7)(A) of Title 42 of the United States Code. Payment of
27 WINS benefits shall not commence before January 1, 2014, and
28 full implementation of the program shall be achieved on or before
29 July 1, 2014.

30 (f) (1) Notwithstanding the rulemaking provisions of the
31 Administrative Procedure Act (Chapter 3.5 (commencing with
32 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
33 Code and Section 10554), until emergency regulations are filed
34 with the Secretary of State pursuant to paragraph (2), the State
35 Department of Social Services may implement this section through
36 all-county letters or similar instructions from the director. The
37 director may provide for individual county phase-in of this section
38 to allow for the orderly implementation based upon standards
39 established by the director, including the operational needs and
40 requirements of the counties. Implementation of the automation

1 process changes shall include issuance of an all-county letter or
2 similar instructions to counties by June 1, 2013.

3 (2) The department may adopt regulations to implement this
4 chapter. The initial adoption, amendment, or repeal of a regulation
5 authorized by this section is deemed to address an emergency, for
6 purposes of Sections 11346.1 and 11349.6 of the Government
7 Code, and the department is hereby exempted for that purpose
8 from the requirements of subdivision (b) of Section 11346.1 of
9 the Government Code. After the initial adoption, amendment, or
10 repeal of an emergency regulation pursuant to this paragraph, the
11 department may request approval from the Office of Administrative
12 Law to readopt the regulation as an emergency regulation pursuant
13 to Section 11346.1 of the Government Code.

14 (g) (1) The department shall not fully implement this section
15 until the department convenes a workgroup of advocates, legislative
16 staff, county representatives, and other stakeholders to consider
17 the progress of the WINS automation effort in tandem with a
18 pre-assistance employment readiness system (PAERS) program
19 and any other program options that may provide offsetting benefits
20 to the caseload reduction credit in the CalWORKs program. The
21 department shall convene this workgroup on or before December
22 1, 2013.

23 (2) A PAERS program shall be considered in light of current
24 and potential federal Temporary Assistance for Needy Families
25 (TANF) statutes and regulations and how other states with
26 pre-assistance or other caseload offset options are responding to
27 federal changes.

28 (3) The consideration of program options shall include, but not
29 necessarily be limited to, the potential impacts on helping clients
30 to obtain self-sufficiency, increasing the federal work participation
31 rate, increasing the caseload reduction credit, requirements and
32 efficiency of county administration, and the well-being of
33 CalWORKs recipients.

34 (4) If the workgroup concludes that adopting a PAERS program
35 or other program option pursuant to this section would, on balance,
36 be favorable for California and its CalWORKs recipients, the
37 department, in consultation with the workgroup, shall prepare a
38 proposal by March 31, 2014, for consideration during the regular
39 legislative budget subcommittee process in 2014.

(5) To meet the requirements of this subdivision, the department may use its TANF reauthorization workgroups.

SEC. 40. Section 18285 of the Welfare and Institutions Code is amended to read:

18285. (a) There is hereby created in the State Treasury the Child Health and Safety Fund for the purposes specified in this section.

(b) Moneys for this fund shall be derived from the license plate program provided for pursuant to Section 5072 of the Vehicle Code and from civil penalties on child day care facility providers.

(c) Moneys in the fund shall be expended, upon appropriation by the Legislature, for the purposes specified in subdivisions (d), (e) and (f).

(d) Fifty percent of moneys derived from the license plate program pursuant to Section 5072 of the Vehicle Code shall be available, upon appropriation, to the State Department of Social Services for the purpose of administering provisions of Sections 1596.816, 1596.87, 1596.872b, 1596.893b 1596.895, 1596.95, 1597.091, 1597.54, 1597.541, 1597.542, 1597.55b and 1597.62 of the Health and Safety Code. Upon appropriation by the Legislature, an additional five hundred one thousand dollars (\$501,000), in excess of the 50 percent derived from the license plate program, also shall be made available for these purposes. The State Department of Social Services shall allocate these special funds according to the following priorities:

(1) Site visits performed pursuant to Sections 1597.091 and 1597.55b of the Health and Safety Code.

(2) The monitoring responsibility of the child care advocate program.

(3) Training for investigative and licensing field staff.

(4) Other aspects of the child care advocate program performed pursuant to Section 1596.872b of the Health and Safety Code.

(5) The salary of the chief of the child care licensing branch.

In order to implement the list of priorities set forth in this subdivision, and to complete implementation of subdivision (a) of Section 1596.816 of the Health and Safety Code, the State Department of Social Services may, as necessary, fund appropriate administrative support costs.

(e) The balance of funds remaining after the appropriations specified in subdivision (d) derived from the license plate program

31 all parties concerned written notice of the time and place of the
32 hearing.

33 (2) An impartial hearing officer may change the time and place
34 of the hearing after further consultation with, and to accommodate
35 the convenience of, the appellant. If the appellant consents and
36 each participant in the hearing has an opportunity to participate in

13 of Civil Procedure, praying for a review of the entire proceedings
14 in the matter, upon questions of law involved in the case. The
15 review, if granted, shall be the exclusive remedy available to the
16 appellant for review of the impartial hearing officer's final decision.
17 The department shall be the sole respondent in the proceedings.

18 (b) No filing fee shall be required for the filing of a petition
19 pursuant to this section. Any of these petitions to the superior court
20 shall be entitled to a preference in setting a date for hearing on the
21 petition. No bond shall be required in the case of any petition for
